

Full Title of The Project: 400kV D/C Jaunpur Obra Transmission Line
Proposal No: FP/UP/TRANS/40906/2019

DETAILS OF BENIFIT DUE TO CONSTRUCTION OF TRANSMISSION LINE

The project 400kV D/C Jaunpur Obra Transmission Line is constructed for evacuation of power from Obra C thermal power plant (2x660 MW). It will transmit part of the power to Jaunpur Substation which will thereafter step down the voltage level and transmit to 220kV and 132kV substations. The project will benefit the entire Uttar Pradesh by improving the power supply situation with aim of providing 24x7 uninterrupted power to each user. It will also bring employment opportunity to local people of Sonbhadra, Mirzapur, Varanasi and jaunpur district during the course of construction.
