3**Himachal Government Judicial Paper****4. GRANT OF PROJECT CONCESSION BY STATE GOVERNMENT**

- 4.1 The First Party agrees to permit the Second Party, for the project **LINGTI (0.50 MW)** capacity, to establish, own, operate and maintain the Project for a period of 40 (forty) years and the date shall be reckoned after 30 months from the date of the signing of the Implementation Agreement or from the date till which extension in SCOD is granted by the First Party. After the expiry of the Implementation Agreement period of 40 (forty) years, the project shall revert to the First Party free of cost and free from all encumbrances. However, the First Party would have the option to grant a further extension for a period mutually agreed upon between the First Party and the Second Party after re-negotiations of terms and conditions of the already signed Agreement.
- 4.2 The Project assets would be maintained by the Second Party in a condition that would ensure a residual life of the project at the rated capacity for at least concession period. During the 10th, 20th, 30th & 35th years of operations, the First Party or one of its appointed agencies would carry out a mandatory inspection of the Project site to ensure that the Project assets are maintained to the required standards to ensure the specified generation capability and residual life of the plant.

If such inspections find that the project capacity and/or life are being undermined by inadequate maintenance, the First Party shall be entitled to seek remedial measures from the Second Party. If the Second Party fails to comply with the requirement, the First Party would have the right to take over the commercial operation of the project and shall have full right upon the sale of power including Second Party share. The cost on account of suggestive remedial measures shall be deducted from the sale of Second Party's share of metered power including the operation & maintenance cost for such a period till the project's assets are restored to the requisite standards to ensure the specified generation capability and residual life of the Project as specified above. Thereafter, the Project shall be handed over to the Second Party.

5 STARTING DATE OF PROJECT.-

- 5.1 Within six months from the effective date of signing of this agreement, the Second Party shall start the construction of the Project after meeting the following major requirements, namely:-

a) Obtaining statutory/non-statutory clearances listed below:-

- i) PWD
- ii) I&PH
- iii) Wild Life
- iv) Fisheries
- v) Revenue Department to the effect that project does not interfere any irrigation or traditional water mills rights
- vi) Forest Land Clearance
- vii) Private Land Transfer (Permission under Section 118)
- viii) PCB

- b) Obtaining the resolution of "No Objection" from concerned Gram Panchayat(s)
- c) Finalize Power Purchase/wheeling Agreement(s) ;
- d) Such other clearances as may be specified by the First Party subsequent to the signing of this Agreement.

Extension in this period, which is not due to force majeure reasons, can be allowed on payment of an extension fee of ₹ 10,000/- per MW per month. However, maximum extension in this case shall be upto 36 (thirty six) months only.

- 5.2 HIMURJA shall monitor the progress of the Project periodically and shall also monitor the progress of steps taken/being taken by the Second Party for obtaining the statutory/non-statutory clearances mentioned in **Clause 5.1** above. The Second Party shall be required to obtain these statutory/non-statutory clearances from the concerned department & Gram Panchayat(s) after paying the prescribed fee fixed by these departments and commence the construction work within the time frame specified in **Clause 5.1** above. At the end of each quarter, the Second Party shall be required to submit quarterly progress report to the First Party. The first party will be at liberty to cancel the Implementation Agreement (IA), after affording due opportunity to the Second Party, in case the First Party is not satisfied about the progress made by the Second Party.

6. CAPACITY ADDITION

- 6.1 If the Second Party enhances the capacity of the project at any stage then prior approval of the First Party will be mandatory for enhanced capacity and the Second Party shall be required to furnish the capacity addition charges or up-front premium as applicable at the rates notified by the H.P. Government from time to time.
- 6.2 Second Party shall have to deposit processing fee afresh and deposit security charges for signing of Supplementary Implementation Agreement (SIA) on account of enhanced capacity at the rates applicable at the time of signing of SIA.

7. TERMINATION OF AGREEMENT

- 7.1 In the event of stoppage of construction on the main Project components by the Second Party for a period of more than three months for reasons not covered under force majeure and for reasons attributable to the Second Party, the First Party shall, after giving due opportunity to the Second Party, have the right to terminate this Agreement. In such event, the Performance Guarantee, furnished by the Second Party in the shape of Demand Draft as per **Clause 3** of the agreement, shall stand forfeited and the Site shall revert to and shall vest in the First Party without any compensation. Notwithstanding any vestment in the First Party under this clause, the Second Party shall be liable to pay all the dues owed to the First Party by the Second Party in pursuance to this agreement.
- 7.2 During the operation of the Project, the Second Party shall ensure free energy to the First Party as per **Clauses 12.1 & 19.2** hereafter. In the event of the Second Party (i) not being able to provide free power as per **Clauses 12.1 & 19.2** to the First Party for reasons other than transmission failure, or (ii) abandons the Project, the First Party shall have the right to terminate this agreement after serving a notice to the Second Party.

8. LAND

- 8.1 The First Party shall acquire, at the request and expense of the Second Party within the provisions of Land Acquisition Act, 1894, such private lands within the State of Himachal Pradesh as may be required by the Second Party and as considered appropriate by the First Party for the implementation of the Project. The Second Party shall also be allowed to acquire such land through direct negotiations with the owners in accordance with the prevailing laws, rules and regulations in the State.

- 8.2 Land whether private or Government except for permanent structures relating to the Project such as water conductor system, power houses building, switchyard area etc. shall be taken only on lease basis at the rates approved by the Government for the agreement period. The First Party shall acquire the land for the permanent structures by invoking the compulsory provisions under the Land Acquisition Act, 1894 in order to expedite the execution of Projects.

8.3 The First Party shall arrange for the short term lease for a period as per the actual requirement not exceeding five years, of Government land required by the Second Party for temporary works for the construction of the Project as considered appropriate by the First Party on such terms, conditions and rates as may be prescribed/fixed by the Government from time to time.

8.4 Private land of any person/farmers are acquired for the purpose of setting up of power project(s) in the state and concerned beneficiaries claim/opt for exchange of Govt. land instead of money compensation and if the exchange of Govt. land is approved by the First Party on availability of land, the cost of Govt. land will be paid/recovered from the Second Party/executive agency of the project.

9. PROTECTION OF ENVIRONMENT

9.1 The Second Party shall make suitable financial provisions in the Project Cost for the Catchment Area Treatment Plans, if required and as may be determined by the GOI, MOEF/State Government. The cost involved on this account shall be paid by the Second Party to the First Party.

9.2 The Second Party shall be responsible to maintain ecological balance by preventing deforestation, water pollution and defacement of natural landscape in the vicinity of works area. The Second Party shall take all reasonable measures to prevent any unnecessary destruction, scarring or defacement of the natural surroundings in the vicinity of the Project.

9.3 The Second Party shall give an undertaking to the Fisheries Department of the local area that wherever feasible, rearing of fish shall be promoted by the Second Party in consultation with Fisheries Department in the project area at the time of final implementation of the Project. The Fisheries Department will charge compensation @ ₹ 0.50 Lac per KM from Tail Race to Weir of the project. In addition, the IPPs will pay ₹ 0.50 Lac per MW to the Fisheries Department. It will be mandatory to utilize this amount on the same stream/nallah or elsewhere and formulate schemes accordingly.

9.4 The Second Party shall ensure that the material excavated from the site shall be dumped in the area duly approved by the Ministry of Environment & Forests, the Government of India/State Pollution Control Board.

9.5 In case any existing facilities such as irrigation, water supplies, roads, bridges, buildings, communication systems, power systems and water mills are adversely affected because of the implementation of the Project, the cost of replacement thereof or of the remedial measures, as the case may be, shall be included in the Project cost. Though such facilities shall be mutually identified, listed and finally fixed within four (4) months of signing of this Agreement, the Second Party shall be responsible to make good the loss or provide remedial measures as are necessary even during Implementation of the Project. The Second Party shall not interfere with any of the existing facilities, till alternate to the facility as is finally decided for replacement, is not created.

9.6 The Second Party, if ROR Project, shall ensure minimum flow of 15% water immediately downstream of the diversion structure of the Project throughout the year. For the purpose of determination of minimum discharge, the threshold value of not less than 15% of the minimum inflow observed in the lean seasons shall be considered. This minimum discharge is required keeping in mind the serious concerns of the State Government on account of its fragile ecology & environment and also to address issues concerning riparian rights drinking water, health aquatic life, wild life, fisheries, silt and even to honour the sensitive religious issues like cremation and other religious rites etc. on the river banks".

- 13.3 The Second Party shall ensure that the execution, operation and maintenance of the Project is generally in accordance with the DPR approved by the HPSEB Ltd./First Party. The First Party shall ensure that the Planning/Design/Construction of any other Hydro-electric Project upstream/downstream of the Project shall not affect the annual energy generation at the Project adversely. The Second Party shall also have no claim on account of development of any upstream and downstream Project in future, which may be constructed with the approval of the First Party unless such development adversely affects the scope of the Project.
- 13.4 The Second Party shall be fully responsible for any damage or loss arising out of the construction, operation or maintenance of the Project to any property or person and also undertake to indemnify the First Party on such account subject to force majeure. The First Party shall then hold the Second Party accountable for any such damage or loss.
- 13.5 The Second Party shall pay all taxes and duties or other levies etc. to the Government of India/Himachal Pradesh Government as per statutory rules in force from time to time.
- 13.6 The Second Party shall abide by the provisions contained in the Hydro Power Policy of the Government of Himachal Pradesh.

Obligations of the First Party:-

- 13.7 If any approval is required under the laws of India for the Second Party, the lenders, or any Contractor with respect to the Project, upon due and timely application therefore being made by the Second Party, First Party shall take all reasonable and appropriate steps within its administrative power, as permissible by law, to ensure that such approval is granted expeditiously, if such grant is permissible under the law.
14. **POWER EVACUATION**
- 14.1 Evacuation of power from the Project upto the HPSEB Ltd./HPPTCL/ Regional Grid Sub-station, as provided in the TEC shall be the responsibility of the Second Party and shall be a part of the Project.
- 14.2 The transmission system covered under this Project may be used for evacuation of power from other projects on the directions of the State Transmission Utility. In such situation the wheeling charges for common transmission system shall be as decided by HPERC.
- 14.3 The Second Party shall follow the directives of State Load Dispatch Centre (SLDC) in the interest of the integrated grid operation. Any dispute with reference to the integrated operation will be referred to the competent authority whose decision shall be final. Pending the decision of the competent authority the SLDC's directions shall prevail in the interest of smooth operation of the grid.
15. **FORCE MAJEURE**
- 15.1 Notwithstanding the provisions of the **Clauses 3, 7.1 and 7.2** above, the Second Party shall not be liable for the forfeiture of its Performance Guarantee or termination for default, if the non-performance or the delay in the discharge of its obligations under this agreement is the result of an event of force majeure.

19. **COMPOSITION OF LADF:-** The LADF shall comprise of contribution by project based on project cost and free power after commissioning as envisaged in the State and National Hydro Power Policies. The hydro project developer's in the State shall contribute towards LADF in two stages.

19.1 **Prior to Commissioning of the Project**

- 19.1.1 The Second Party shall contribute a minimum of 1.5% of final cost of the Project for projects of more than 5.00 MW capacity and a minimum of 1% for projects of capacity upto 5.00 MW. While the project authorities have to contribute minimum of 1.5% or 1% (as the case may be) of the project cost to LADF, they may contribute more, if they so desire. Initially, the LADF will be worked out on the basis of the Project cost as per DPR for depositing with the concerned Deputy Commissioner (DC). After completion of the Project, the LADF will be worked out on the final completion cost.

- 19.1.2 The Project cost will be as approved by CEA/State Govt. and include IDC, CAT, R&R expenses etc.. Escalation will be included when the revised TEC is given. As the entire cost is included in calculating tariff for PPAs as per regulatory guidelines, it would be appropriate to follow the same guidelines for calculating the LADF contribution. Therefore, the total cost as per TEC will be taken as basis for calculating LADF contribution. It would be adjusted as and when TEC is revised in the course of project construction/completion.

- 19.1.3 The balance amount of LADF worked out on final cost shall be deposited by the Second Party within one year of Commercial Operation Date (COD) of the Project.

19.2 **After Commissioning of the Project**

Second Party shall contribute 1% free power for LADF over and above the rates of royalty agreed to be paid to the State Government in the Implementation Agreement/ Supplementary Implementation Agreement, as the case may be. This additional 1% (one percent) free power, over and above the royalty component provided to the host State will be a pass through in tariff. The revenue collected by the Nodal Agency (Directorate of Energy from sale of such 1% free power (contribution from the Second Party) will be transferred to the Local Area Development Fund for such project.

20 **REALIZATION OF LADF CONTRIBUTION**

20.1 **Prior to Commissioning of the Project**

- 20.1.1 Contribution to be made prior to commissioning of the Project shall be released by Second Party in the following manners:-

- 10% amount within three months of signing of Implementation Agreement (IA).
- 15% amount within 18 months of signing of IA.
- Balance 75% amount in three equal annual installments during construction period of the project. The first installment will be paid within three months of Zero date as given in the IA or 31st December, whichever is later and thereafter by 31st December on annual basis.

- 20.1.2 If Second Party wishes to make a contribution in advance of this schedule, it will be accepted.

- 20.1.3 In case of failure to adhere to the time lines as prescribed under a), b) and c) above, the Second Party shall be liable to pay interest on the due amount of LADF @ 12% per annum.

The 1% free power contribution to LADF shall be sold by the State Government alongwith its share of free power. The amount equivalent to average net realization per unit multiplied by the number of units for which 1% is to be paid will be placed at the disposal of LADC annually. The average price per unit will be worked out on the basis of net proceeds of total free power sale by GOHP divided by the total number of units involved, after allowing 1 paisa per unit to be retained by the State government as the expenses of Directorate of Energy. The provision for disbursement of the amount to be received against sale of 1% Additional Free Power on account of Local Area Development Fund (LADF) as under:-

- (a) 50% of the total amount of LADF to be divided to all families in PAA equally subject to BPL families getting higher amount as per the policy notified on 05/10/2011.
- (b) Balance 50% of the total amount of LADF to be divided between the families in ratio of the land acquired in their respective Panchayat subject to BPL families getting higher amount as per the policy notified on 05/10/2011.
