Subject:

MODIFICATION IN THE LAYOUT PLAN REGARDING THE
PROPOSAL NO.- FP/HR/APPROACH/149810/2021

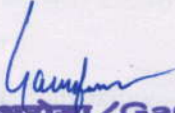

Respected Sir,

We have submitted our proposal on the online portal of www.parivesh.nic.in for the diversion of forest land for our proposed fuel station of M/s Indian Oil Corporation Ltd. at km 18.200 (LHS) on SH-15A (Gurugram-Jhajjar road) in Village-Sultanpur, Tehsil -Farukhnagar District -Gurugram and State Haryana.

By mistake we have shown the wrong dimensions of our proposed site in the layout plan submitted in your office. Now we are submitting the new layout plan as per the revenue record with correct dimensions. There is no change in the forest area proposed to be diverted. There is the only change in the non forest area. For the same we are also submitting the modified DGPS map.

Kindly consider our proposal FP/HR/ APPROACH/ 149810 /2021 as per new layout plan and provide us the desired NOC as soon as earlier.

Thanking you
