Sir,

Apropos to the subject and reference cited above, the point wise reply to the EDS raised by the DIGF (Central) Regional Officer, IRO Jammu is given as under:-

S. No.	EDS raised	Reply
1	As 12000 plants are proposed to be planted in proposed degraded forest area with 40% vegetation density, the uploaded kml of 12.01 ha can't accommodate all plants. Hence, the DFO is required to submit the expanded boundary of the KML of CA area, already submitted, so that it can accommodate 12000 plants for undertaking afforestation.	The revised CA plan has been uploaded under menu option "13" in (Form-A) Part-II on PARIVESH portal.

Hence submitted for favour of information and necessary action please.

Yours faithfully,

(Khalid Amin Mehta), SFS
