H. PMU, UDRP & UEAP

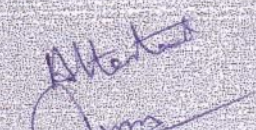

The issue of payment of rent, security, equipment usage and electricity charges for the premises (3rd floor of IT Bhawan) occupied by PMU and PIU (R&B) UDRP and UEAP was taken up. It was informed that out of the four floors, only one floor is with the UDRP/UEAP Projects and remaining three are with ITDA / Hiltion. It was also informed that entire furnishing and furniture of 3rd floor has been got done by the UDRP/UEAP Projects from their own funds and would be left as such on vacating the premises once USDMA building comes up in IT Park. The telephone charges, Internet connectivity and housekeeping of the 3rd floor is also being paid for by the UDRP/UEAP Projects. It was decided that as the IT Bhawan building and equipment has been funded by State Government so the UDRP/UEAP Projects should pay for only recurring expenses such as Electricity and Security on proportionate basis of the actual bill. HPC also authorised Secretary Disaster Management and Finance / PD UDRP and UEAP, to issue necessary order in this regard.

The meeting ended with a word of thanks to all present.

(S Ramaswamy)
Chief Secretary &
Chairman HPC

Circulation:

1. Pr. Secretary to CM, Uttarakhand for kind information of Hon'ble Chief Minister.
2. ACS / Pr. Secretary/Secretary, PWD, Tourism, Disaster Management, Civil Aviation, Housing, Drinking Water.

Total Span		901		

On the recommendation of PIU and importance of the bridges HPC accorded Administrative approval for the bridges mentioned above. HPC further directed PIU to prepare land transfer cases, forest cases, Environment and Social screening /reports on priority bases for these bridges. It was also directed by HPC that PIU may hire retired forest personnel for preparing of land transfer cases with permission of PD UDRP. HPC also directed PIU to engage Bridge Design Consultant afresh with World Bank approval as per their procurement guidelines and ensure that proper type of bridge is suggested by them in one go rather than repeated designs. PIU should also share the list with the World Bank for concurrence.

4. DPM, PIU-R&B, UDRP, informed the HPC that Engineer in Chief, PWD has requested for taking up 18 Bailey/ R.C.C. bridges for replacing them by class "A" permanent motor bridges and for reconstruction of 11 motor/ bridge bridges at different locations, as there is need for following bridges:
