Sub: Guntur Division – GNT - GTL Doubling – DMT –NDL Section – Forest LA –
Uploading of KML files for Re-diversion Area(20.82Ha) - Reg.

Ref: IRO Lr.No. 4-APC145/2022-VIJ/804 Dated: 30.03.2023

In connection with above subject, as per 12th REC meeting IRO/Vijayawada instructed the User Agency to upload kml file of the forest area proposed for re-diversion area of 20.82 Ha(5.2 Ha (GID Division) + 15.62 Ha (NDL(WL) Division) and proposal was returned to Railways in parivesh portal.

In this regard this office has kept all possible efforts to upload the kml files in the parivesh portal but the resubmission was not getting done. This office has already submitted the hard copy kml files for due consideration.

Hence it is requested to consider the same and proposal may be processed for further action please. User agency will be available if any kind of assistance or data required in further course of action.
