- i. Shri Giridhar Aramane, Chairman
- ii. Shri Alok, Member (Admin)
- iii. Shri R.K. Pandey, Member (Project)
- iv. Shri Mahabir Singh, Member (Tech)
- v. Shri Manoj Kumar, Member (Project)

2. The Committee considered the proposals submitted by technical divisions and following decisions were taken:

| Sr. No.  | Project Name / Decision                                                                                                                                                                                                                                                                                                                                                                                   |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 54.01    | 4-lane road from Cuttack-Kandarpur-Paradeep in the state of Odisha.<br><b>UPC Code - N/14001/01026/OR</b>                                                                                                                                                                                                                                                                                                 |
| Decision | LAC approved the proposed alignment with 60m ROW with direction to take Paradip Port Connectivity Project of SPV of NHAI into account. Subject to this, LAC also accorded 2 <sup>nd</sup> stage approval for acquisition of additional 554 Ha. land at an estimated LA cost of Rs. 465 Crs.                                                                                                               |
| 54.02    | Improvement and up-gradation of Moradabad -Thakurdwara - Kashipur - Ramnagar section of NH-734 in the state of Uttar Pradesh and Uttarakhand.<br><b>UPC Code - N/08083/01001/UP</b>                                                                                                                                                                                                                       |
| Decision | LAC accorded 2 <sup>nd</sup> stage approval to the proposed LA Plan with 60m ROW for acquisition of additional 488 Ha. land at an estimated LA cost of Rs. 2084 Cr.s<br>LAC also directed the technical division to call for explanation of all concerned for not bringing out change of alignment proposal at least at the time of 2 <sup>nd</sup> Stage approval by LAC on 03.06.2021 (Ref Sr No 43.05) |
| 54.03    | 4-laning Shabhad - Thol Greenfield in the State of Haryana.<br><b>UPC Code - N/06037/04001/HR</b>                                                                                                                                                                                                                                                                                                         |
| Decision | LAC accorded 2 <sup>nd</sup> stage approval to proposed LA Plan with 45m ROW for acquisition of additional 168 Ha. land at an estimated LA cost of Rs. 262 Crs.                                                                                                                                                                                                                                           |
| 54.04    | 6-lane access controlled highway from Nagal to proposed Ludhiana Ring Road in the state of Uttar Pradesh and Haryana under Bharatmala Pariyojana.<br><b>UPC Code - N/11003/02002/HR</b>                                                                                                                                                                                                                   |
| Decision | LAC accorded 2 <sup>nd</sup> stage approval to proposed LA Plan with 60m ROW for acquisition of additional 607 Ha. land at an estimated cost of Rs. 1094 Crs.                                                                                                                                                                                                                                             |

|          |                                                                                                                                                                           |
|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 54.05    | 4-laning of Dewas Ujjain (Part-I) & Ujjain Bypass (Part-II) and construction of 4-lane Dewas Bypass in the state of Madhya Pradesh.<br><b>UPC Code - N/05042/01001/MP</b> |
| Decision | LAC directed that LA Division should consult Law Firm (PLR Chambers) and put up their recommendations on restricting compensation to 45m ROW, when 3D was done for 60m.   |

3. LAC instructed all Technical Divisions that Keyhole Markup Language (KML) Files of project alignment should be invariably presented, in all future LAC meetings.

4. The Meeting ended with a vote of thanks to the Chair.
