Sir,

With reference to the above mentioned query raised by DFO Dehra, the forest area of Baroh Tehsil is now part of Dharamshala forest division which was earlier included under Dehra Forest division.

Hence, the forest diversion area under Dehra and Dharamshala forest division is now changed to 1.6881 Ha. and 0.1514 Ha. respectively and accordingly the relevant documents of the forest proposals are revised.

Therefore, **five (5) copies** of the revised forest diversion proposal with all necessary documents are submitted herewith for your perusal and further necessary action at the earliest.

Kindly accord priority to this work as the widening of this section of National Highway is a project of public interest.
