

PROPOSAL NUMBER : FP/KA/SCH/35132/2018

JUSTIFICATIONS FOR OBJECTIONS

- **A-1-viii**

The final allotment of forest land was issued vide GO FFD-31-FDL 83 BANGALORE DATED 11 MAY 1987, which mentioned the land to be 230 acres (93.08 Ha). Subsequently an agreement has been executed between University Registrar and CCF of Forests(General), Bengaluru on 13 July 1987.

So the actual forests land under user agency is 93.08 Ha.

- **A-3(xvii)**

Original Letter of Authorization has been uploaded.

- **B-2.4**

The University is still growing as new departments and subject studies are included every year. The student and faculty population is going to be increased in near future.

The University has a proposal for planned expansion of campus by building Classrooms, Hostels, Utility complexes, Sports stadiums and guest house etc.,. These projects will be taken-up as and when we receive sanctions from the Government of Karnataka.

Proposed layout plan is uploaded for your kind reference.

- **I(i)**

The total area of forest land in possession of University as per original agreement is shown as 230 acres and the same is being mentioned in all our communications with the Department of Forests.

- **K-(i)**

University has received the RoFR Compliance certificate in FORM-II from both Deputy Commissioners of Shivamogga and Chickmagalur Districts.

The certificates have been uploaded for your kind reference.

- **L (1)**

The standing committee of IBWL in its letter dated 18 August 2002, has advised the State Government to sanction 339 ha. of contiguous forest land to the sanctuary, for compensating the reduction of forest land on proposed diversion.

Based on this report, the Government of Karnataka has sanctioned 386.8 ha. of Non-forest land for Compensatory Aforestation.

IBWL letter is attached for kind reference.
