The Block Development & Panchayat Officer,
Ambala.

No. 7572 Dated :- 28/11/17

Subject: - NOC for construction of Drain on Link road from Ambala Hisar road to Khaspur (Road ID 104).

Reference:- Your office Endst.No.6025 dated 27.11.2017.

This office has no objection for construction of drain on link road from Ambala Hisar road to Khaspur (Road ID 104) subject to the following conditions:-

1. The brick drain should be constructed as per PWD specification on extreme edge of the PWD boundary by the concerned Department with proper invert level and slope for disposal of waste water.
2. Panchayati Raj / Gram Panchayat will have to provide barricading, danger lights and caution boards etc at the work sites to ensure public safety. Further, if any traffic diversion from PWD road requires during the execution of work shall be provided by the executing agency at the cost of the concerned department, so as to cause minimum inconvenience to the public.
3. The concerned department shall also ensure that safety of the essential services i.e. water supply, sewerage system and telecommunication lines and electricity supply etc. during the execution of work and it will be their sole responsibility to get the services restored to their original and satisfactory condition in case of damage at its own cost.
4. The disposal of ~~waste~~ water of drain may be ascertained by the Gram Panchayat, so that no waste water accumulated on the road stretch.

Besides above, top wearing surface of the main carriage way of road be also brought to traffic worthy condition by the concerned Department at their own cost.

DA/ Nil.
