### Form for seeking prior approval under section 2 of the proposal by the State Govt. and other authorities (Forest (Conservation) Act, 1980)

#### PART –I (To be filled up by user agency)

1. Project details:

- (i) Short narrative of the proposal and project/scheme for which the forest land is required.  
This project falls in the South district of Sikkim. The road will connect the Rockland village (which is approximately 35 km from Namchi towards the North direction) the proposed road is 2km. Presently there are no any means of transportation facilities to this village so as to connect with the District Namchi & other important towns. The majority of population are farmers and depend on the agricultural products. The road on completion will act as the lifeline of the people of the area for transportation of their agricultural products to the town & help to transport their basic household amenities. It will also help them to reach the District offices, centre/facilities provided by the Government.
- (ii) Map showing the required forest land, boundary of the adjoining forest on a 1:25000 scale map.  
Enclosed
- (iii) Cost of the project:  
Rs.331.526 lakhs.
- (iv) Justification for locating the project in forest area.  
As per the norms, the ruling gradient in hilly terrain is 1:15. To follow this gradient, the proposed alignment is the only possible and stable alignment by involving less forest area.
