

Proposal No: FP/TN/Road/24465/2017

Ref: C.No. D/184/19 dated 06.05.2019

Replies to details sought by District Forest Officer, Chengalpattu Division, Kancheepuram

Sl. No.	Remarks by PCCF	Reply
1	GPS coordinates given in the GPS reading map are mis-matching with the GPS points in the field for Mannur RF. The same may be corrected and the new GPS reading map can be re-uploaded with exact readings.	GPS coordinates are finalized in the field by conducting joint inspection with concerned officials of Forest Department and the revised GPS reading map is enclosed.
2	<p>In was given that an alternative alignment for the proposed Chennai peripheral road, by passing Sengundram RF was examined. You are requested to provide the justification on why the alternate alignment was rejected even though it by-passes the RF.</p> <p>Provide the cost benefit analysis for the alternate alignment proposed in the application by user agency and any steps taken to accept the alternate alignment before proposing the alignment which involves diversion of forest land in Sengundram RF and Kondamangalam RF.</p>	Alternate alignment study note is enclosed.
