

## JOINT INSPECTION REPORT

S.L.No	Particulars	Details
1	Name of Project	Construction of road from Ben School to Lakhim in South Sikkim.
2	A brief of project	This project falls in the South district of Sikkim. The road will connect the Lakhim village (which is approximately 16 km from Rabong towards the South direction) the proposed road is 2km. Presently there are no any means of transportation facilities to this village so as to connect with the District Namchi & other important towns. The majority of population are farmers and depend on the agricultural products. The road on completion will act as the lifeline of the people of the area for transportation of their agricultural products to the town & help to transport their basic household amenities. It will also help them to reach the District offices, centre/facilities provided by the Government.
