4) Principal Chief Conservator of Forests (Head of Department),
Chennai-15 Ref.no: TS4/24647/2019 dated: 07.05.2021

--0000--

With reference to the above subject and the letters cited, Principal Chief Conservator of Forests (Head of Department), Chennai has instructed the District Forest Officer, Thanjavur to scrutinize the online Forest (Conservation) Act, 1980 proposal for Construction of 2 no's collector well cum pump house within the riverbed of Coleroon one at Ayyanallur and another at Kadambankudi and upload the site inspection report vide 4th reference cited (copy enclosed).

During the joint site inspection with TWAD Board officials and discussion with them about construction methodologies, it was noted that the site identified for construction of footbridge for collection well at Ayyanallur is having dense plantations. Execution of the said work could not be carried out within the area requested for diversion and it is conveyed by your engineers that a minimum of 11metres width is required instead of 3metres mentioned in the proposal.

Hence you are requested to make necessary corrections and submit the revised proposal.

Yours faithfully,
Sd/-M.Ilayaraja
District Forest Officer,
Thanjavur Division,
Thanjavur.
