

## CHECK LIST SERIAL NUMBER:-03

### DETAILED NOTE ON THE PROJECT

The project (State Fire Training Centre) is already functioning on the site w.e.f. 07-08-1980 vide office order No. F.T.C.2-1/80-6641-44 dated 07-08-1980. The administrative approval for running the fire training centre at Baldeyan, Shimla has also been accorded by the Deputy Secretary (Home) to the Govt. of Himachal Pradesh vide letter No.Home-II-C(1)-10/77 dated 23<sup>rd</sup> July, 1981 and No Objection for construction of road for Fire Training Centre at Baldeyan, Shimla has been accorded by the Divisional Forest Officer, Forest Division Shimla vide letter No. C.IX.25/ dated December,1980.

Presently, various Fire Fighting Courses are being conducted at this Training Centre not only for the departmental candidates of Fire Service department, but the short term training/courses are also being conducted for the sponsored candidates of Police, Forest, Home Guards, SSB and different organization of neighboring states like Chandigarh, Punjab and Haryana etc. as well as private candidates sponsored by the industrial and commercial units. Further, the external Sub Fire Officers courses being conducted by National Fire Service College, Nagpur are also proposed to be conducted in this Training Centre in the near future. The candidates/trainees who got the training of Elementary Fire Fighting Course from this Fire Training Centre are not only save the lives and property of the state but also the nation too.

This project/Fire Training Centre also generates indirect opportunities of employment as result of increased economic activity in the area. The location of project/Fire Training Centre is such that there is no alternate land possible except the proposed land, which can avoid up to maximum extent, the use of forest land for the construction of said project/Fire Training Centre.

Also during the construction of said project/Fire Training Centre, employment of about 36500 man days is likely to be generated and numbers of persons will be benefited from the construction this project/Fire Training Centre.

The estimated cost of project/Fire Training Centre will be approximately 30 Crores. As such location of the project/Fire Training Centre in the forest land is justified and proposed project/Fire Training Centre is finalized. For the construction of this project/Fire Training Centre 0.88.75 Hect. of forest land is required to be diverted for project/Fire Training Centre.
