**Certificate of Deputy Conservator of Forests (Wildlife Warden,  
Thiruvananthapuram) on Net Present Value**

It is certified that, the proposed area of 57.02 hectare falling in Kottoor Reserve Forest of ABP Range is falling in the **Eco-Value Class I of Open Forest Category**. It is also certified that the amount of NPV of forest land calculated (@ 7,30,000 per Ha x 8.553 (area considered) is Rs. 62,43,690/- (Rupees sixty two lakhs forty three thousand six hundred and ninety only).

The calculation is based on MoEF letter no. F.No. 8-25/2016-FC dated 08.06.2017. Since, less than 15 per cent of the proposed land (8.553 Ha) falls in non-forestry activity (as per the guideline) for the Project, here an area of 8.553 hectare has been considered for assessing the Net Present Value.

Place: Thiruvananthapuram  
Date: 22/05/2019

  
Deputy Conservator of Forests  
(Wildlife Warden, Thiruvananthapuram)
