---

To,

Date:01-06-2022

The Deputy Conservator of Forests and Director Kali Tiger Reserve,

Dandeli-581325

Sir,

Sub : Essential Details Sought ( EDS) on the proposal to lay optical Fibre Cable in Anshi National Park and Dandeli Wildlife Sanctuary-reg

Ref: 1) Proposal No : FP/KA/OFC/152519/2022.

2)Your letter No: B4/LAND/FC/JIO/CR-9/2020-21, Dt 20-05-22

With respect to your letter at reference No 2, the Essential Details Sought (EDS) for the proposal No: FP/KA/OFC/152519/2022 at reference No 1. The alternate route suggested in your EDS letter has been examined by the Technical Team for change of route. As per the technical team opinion the alternate route indicated along the SH 146 could be considered as an additional span with new proposal but not as alternate route indicated along the SH 146 could be considered as additional span with new proposal but not as alternate to proposed route along SH 46. The stretch proposed on SH 46 is decided by technical expert team after considering the overall connectivity of the state to achieve last mile connectivity.

Laying of underground OFC along the road, with in Right of Way (ROW) width is one time activity and do not cause any perceptible change in the forest land or the biodiversity there on. Hence it is requested to consider the route proposed in the proposal for forest clearance with additional mitigation measures in the interest of better connectivity.

Thanking you,

Yours faithfully,

For Jio Digital Fiber Pvt Ltd.,

(V V Babu)
