

Justification

EDS dated 21-5-2016 Reply are attached herewith. kml file and other required information have been in their designated place. Rest of the information are being attached herewith. In some documents area has been typed 1.22 by mistake, which in fact is 2.02. please read the same as above. 1.00 ha. land was previously transferred to the project, but as per the revised Rules and Guidelines of Ministry of Road and transport 1.00 ha. wasn't sufficient for the project. This Scheme/Project is fully financed by central government. The layout plan and DPR is provided by central govt. to state Govt. is attached. This is a vital project for Chardham Yatra and local transportation. This project will help in controlling the movement of traffic as the whole rout is hilly and uncontrolled movement of vehicles may cause dangerous to human life also.
