

Full title of the project:-

Haridwar-Dehradun Pipeline Project: Diversion of 0.0132 Hectare of Forest land on side strip (within ROW) of Haridwar-Dehradun National Highway No. 72 near Km. 162+130 declared as Reserved Forest, for construction of approach road to GAIL's proposed Gas Receiving Terminal Station in Village Kuanwala, Tehsil/District Dehradun, Uttarakhand State.

CHECK LIST**PROPOSAL FOR DIVERSION OF FOREST LAND FOR NON FORESTRY USE UNDER FOREST (CONSERVATION ACT, 1980)**

S. No.	Name of the Document (s)	Provided or Not	If not Provided Why?	Page Number
1	Check list of the project proposal	Provided		
2	Demand letter of the project authority/applicant, if submitted	Provided		
3	Main application form from Part-I to V as prescribed in the rules under Forest (Conservation) Act 1980, with all its columns duly filled up and signed by the competent authority with date, place and their official seal. All the information of part-1 of the form-A including Item wise breakup of the forest area required must be given in the form itself by expending the columns	Provided		
4	Detail note on the project. It must include the information regarding the number of villages and number of persons to be benefited from the project including employment generation.	Provided		
5	Map of the project site/forest area demanded clearly showing forest boundaries and adjoining areas with their land use in district colors in 1:50000 or any suitable scale on original Survey of India topo sheet. If the area is very small in addition to above, an index map may be submitted showing forest boundaries and a location map on a larger scale with land use of the area required duly signed by DFO/CF concerned.	Provided		
6	Lay out plan of project site. In case of linear diversions of forest land. Linear map or a diagrammatic map of the project site, if it is not a linear diversion, should be enclosed.	Provided		
7	Statement showing the details of forest area involved i.e. Survey No./Coupe No./Compartment No. etc. and item wise break up of forest area proposed for diversion duly signed by DFO.	Provided		
8	Statement showing the details of non-forest area involved in the proposal.	Provided		
9	Certificate from the Collector/Deputy Commissioner that no alternative suitable non forest land is available for the project in question.	Not	N/A (certificate from GAIL)	

Blue

Haridwar-Dehradun Pipeline Project: Diversion of 0.0132 Hectare of Forest land on side strip (within ROW) of Haridwar-Dehradun National Highway No. 72 near Km. 162+130 declared as Reserved Forest, for construction of approach road to GAIL's proposed Gas Receiving Terminal Station in Village Kuanwala, Tehsil/District Dehradun, Uttarakhand State.

			(India) Limited)	
10	Justification for locating the project in forest area to be submitted by User Agency and countersigned by DFO.	Provided		
11	Certificate for minimum use of forest land to be submitted by the user agency, giving details of area and trees involved in the alternatives examined and reasons for their rejection duly countersigned by DFO.	Provided		
12	Cost benefit analysis as per the guidelines issued under forest (Conservation) Act, 1980 in prescribed format wherever required.	Provided		
13	No Objection Certificate from local bodies except in cases of linear diversion and public utility projects	Not	N/A	
14	Status of clearance under Environment (Protection) Act, 1986 wherever required.	N/A		
15	Detail scheme for rehabilitation of project affected persons, wherever required.	Not	N/A	
16	Detail Catchment Area Treatment Plan, wherever required. The CAT Plan should be prepared on the basis of actual survey of area and its classification in various categories requiring different engineering/afforestation and other treatments in phased manner.	Not	N/A	
17	Detail Reclamation Plan, wherever required. It should be realistic exhaustive and complete in all respects along with relevant maps in distinct colors. It should also include the details of back fillings, afforestation and execution of such works, wherever required.	Not	N/A	
18	In case of proposal regarding Road/Railway lines, Transmission line, the following information/documents must be given :- 10 Length and width of Road/Railway line/ Transmission line passing through forest and non-forest area. 11 Length of road already existing/constructed out of the total length involved in the project proposal. 12 In case of Transmission line :- 1) Number of towers to be erected both in forest and non-forest area. 1) Width of the right of way for transmission line.	Not	N/A	
19	In case of proposal regarding Hydro Electric Projects the following information/documents must be given :- a) Component wise total area requirement	Not	N/A

	d) The area calculation for the curves should invariably be given in the layout plan.			
22	Undertaking by User Agency to bear the cost of compensatory afforestation duly counter signed by the DFO	Provided		
23	Undertaking by User Agency to pay the Net Present Value (NPV) of the forest land involved duly countersigned by DFO.	Provided		
24	Species wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing on the forest area in question neatly typed or computerized and duly signed by DFO.			
25	Site inspection report of the forest area involved in the project proposal by concerned DFO or higher level forest officer in prescribed format.			
26	Details of non-forest land/degraded forest area identified for compensatory afforestation viz.. Survey No./Compartment No., Village, Tehsil, District etc. along with map or in 1:4 mile scale along with the boundaries of adjoining areas with their use in distinct colors.			
27	Detailed scheme for compensatory afforestation on identified non-forest area/ degraded forest area at prevalent wage rates duly signed by DFO and counter signed by the CF concerned. The CA scheme must include all the technical details, details of work schedule, total financial outlay and proposed monitoring mechanism.			
28	Certificate from the DFO, that non forest land selected for compensatory afforestation is in a compact block and contiguous to forest area or in closed proximity of forest area and suitable from the management and protection point of view.			
29	Suitability certificate from Divisional Forests Officer that the area identified for compensatory afforestation is suitable for raising plantation.			
30	Certificate from the Chief Secretary regarding non availability of non-forest land in the state for raising compensatory afforestation, wherever applicable			
31	Undertaking to pay cost of trees standing in the forest area being diverted	Provided		
32	Undertaking to submit copies of permission from respective Road /canal/ Railway authorities before granting permission from Forest Deptt.	Provided
