

## JOINT INSPECTION REPORT

The joint inspection of land comprising in Kh. No. 467/1 at Mauza Nadukhar Teshil Sunni District Shimla proposed to be transferred to HPSEBL for non-forest use, for construction of 220/66kV S/Strn. Nadukhar, has been conducted on 28.12.2019 in compliance to the SDM (Rural) Shimla office letter No. 2892-94 dated 13.12.2019, in the presence of officials of D.F.O. Shimla & Sr. Executive Engineer, ES Division HPSEBL, Shimla-11.

During inspection, it has been observed that a piece of land 2-89-75hac, which is proposed to be diverted for non-forest use, for construction of 220/66kV Sub-Station Nadukhar, comprising in Kh. 467/1 at Village Nadukhar has been classified as "Charagah Drakhtaan" in the jamabandi. It has also been observed that no electricity line, water supply pipe line is passing through the site of proposed Sub-Station of HPSEBL, and there is no source of drinking water on the site.

Since, the N.O.C. for transfer of this land stand issued by the concerned G.P. and also by the Village level Van-Adhikar Samiti, therefore, it is decided to recommend the case to the Govt. of H.P. for approval please.
