क्र. सं.	आपत्ति	निराकरण
1	2	3
1.	In the geo referenced digital map of the area proposed for diversion, enclosed with the reply, the geo coordinates have been shown on the map only at start and end points. May provide/upload coloured GIS software generated geo referenced digital map showing geo coordinates at 200 to 300 m interval along the alignment of the proposed road including all turning points. As per the map provided, one portion has also been indicated as existing road inbetween the start and end points of the porposed road. May clarify why existing road has been included in the proposal.	The geo coordinates provide/uploaded at 200 to 300 m interval along the alignment of the proposed road including all turning points in GIS software generated geo referenced digital map. Approx 2km length of the road to be constructed from the end point of existing Bhatrojkhan-jeenapani motor road to connect the village Majhera. that is why existing motor road is indicated in the map same is also shown in bar chart.
2.	The digital map of area proposed for CA is provided on google earth map which does not serve any pupose. May provided/upload GIS software generated geo referenced digital map of the area porposed for CA providing coordinates at all corners in shape (polygon) file.	The proposed area for CA is now shown/uploaded on GIS software generated geo referenced digital map & Coordinates of all corners shown on polygon shape.
