

O/o Sub Divisional Officer,
Hisar W/S Sub Division No.II,
Hisar

No. 301-02 | 1-9

Dated 07/06/2021

To.

The Executive Engineer,
Hansi W/S Division,
Hansi.

Subject:- Permission for laying of sewer line along Siwani Feeder.

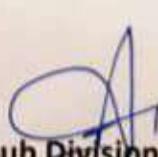

Ref. Your office letter No. 3018/1-W/HSR-II dated 09/06/2021.

In this connection, it is submitted that the permission for the subject cited matter has been received in this office from The Executive Engineer, Public Health Engineering Division, Hansi vide his letter No. 10199 dt. 07/06/2021. It is recommended to may kindly provide NOC for the same on following technical grounds:

1. The Land ownership remains with Irrigation Deptt. Haryana.
2. In future, if, Irrigation Deptt. wants to widening the above said channel then there is no objection raised by Public Health Deptt., Hansi.
3. During construction of sewerage line there should be no damage to the existing pucca structure i.e. Channel section, Bridges, Water course crossing etc.

Kindly find enclosed herewith the same (in original) for your kind information and further necessary action.

DA/ Proposed pipe line plan

Sub Divisional Officer,
