

Site Inspection Road w.r.t diversion of 0.2143 ha. forest land for the construction of Ambulance road from NH-205 to Kamna Devi of portion Vinod Sharma house to Kamna Devi Ward No. 8 Boileauganj Shimla RD 0/0 to 0/425 in the jurisdiction of Shimla Forest Division, Tehsil and District Shimla H.P. (Online Proposal No. FP/HP/Road147914/2021)

Deputy Director General of Forests (Central), Regional Office, Chandigarh has vide his office letter No. even dated 08.04.2024 for the Site Inspection of the proposed Road by Chief conservator of Shimla, User Agency and Sub-office, Shimla to check the vegetation on the ground since, as per Google satellite imagery the proposed diversion site appears very dense.

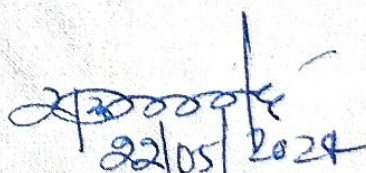

2. The Deputy inspector General of Forests (Central) holding additional charge of Sub-office Shimla and CCF (Shimla) visited the site alongwith User Agency on 25.04.2024. The list of attendees is enclosed as **annexure-I**.

3. The proposed alignment was traversed by walk on the ground and it was found that number of trees/species to be affected were found exactly as per the enumeration List uploaded in PARIVESH Part-II. Although, the proposed site appears as thick vegetation from the Satellite Imagery, the alignment is all along footpath being used by people to walk up to Kamna Devi Temple. Thus, on ground, it appears that not more than 14 nos. of trees will be affected while executing the project within width as per layout submitted in PARIVESH portal.

4. The proposed alignment starts from the Vinod Sharma House onwards and up to Kamna Devi Temple. The link road already existing from NH-205 up to Vinod Sharma House has been diverted under Van (Sanrakshan evam Samvardhan) Adhiniyam, 1980.

5. Submitted for kind consideration.
