Minutes of Meeting

Meeting regarding issues of NHAI related to IGNP was held in the chamber of Chief Engineer, IGNP, Bikaner on 11.10.2018. following officials were present in the meeting:-

1. Sh Vinod Mittal, Additional Chief Engineer (Regulation), IGNP Bikaner.
2. Sh Sunil Kataria, Superintending Engineer & T.A to ACE(B), IGNP Bikaner.
3. Sh Subhash Janu, Project Director, NHAI, PIU, Bikaner.
4. Sh Varshil Parikh, Consultant, NHAI, PIU, Bikaner.
5. Sh Santosh Suryawanshi, Consultant, NHAI, PIU, Bikaner.

The consultants of NHAI briefed about the Project, in which the stretch from Khajuwala to Poogal and Poogal to Bap has been declared as National Highway (NH-911 & NH-911A) under Bharatmala scheme and the same is proposed for widening to 2-Lane with paved shoulders. The Project alignment is Poogal-Barsalpur-Ranjitpura-Charanwala-Naukh-Bap (Approx. 184 km) & Poogal-Aliadin ka bera- Borianwala (Approx 31 km) which is called Package-10. There are 6 minor bridges, 39 box culverts and 79 RCC Pipe culverts proposed to be taken up on the IGNP network.

The major issue of meeting was related to schematic drawings/GAD of Package-10 under Bharatmala Scheme. Chief Engineer, IGNP Bikaner pointed out issues related to the safety of canal, and measures to be adopted by NHAI regarding canal safety during construction, it was submitted by the P.D NHAI that a detail plan shall be submitted before taking up the works ensuring safety of canal and it shall be ensured by NHAI that no regulation of canal is disturbed due to construction activities carried out by NHAI. Additional Chief Engineer, Regulation pointed out that the foundation proposed in the drawings submitted are not feasible as they have to be taken away from the bank portion of canal. It was submitted by PD NHAI that presently submitted drawings are schematic drawings/GAD only. Concessionaire will prepare their own design and his working drawings shall be submitted after approval to IGNP before taking up particular construction work. Drawings submitted to IGNP have been accepted by NHAI and are forwarded for review and consent/issuing NOC.

After detailed discussion with PD NHAI, Bikaner, it was decided to issue consent/NOC to NHAI with the condition that approved working drawings shall be submitted to IGNP before taking up particular construction work and all canal safety measures shall be ensured by NHAI during construction. It shall be the responsibility of NHAI to ensure that the canal regulation is not disrupted in any case.
