Dated - 06 - 06 - 23

TO

The Divisional Forest Officer  
Nurpur Forest Division,  
Nurpur, Distt. Kangra, HP.

Subject : Diversion of 0.232 Ha. of forest land in favour of HPSEBL Ltd. for the construction of 33 kV HT Line Sub Station Bhadwar, Nurpur, within the jurisdiction of Nurpur Forest Division, District Kangra (Online Proposal No. FP/HP/SubStation/142137/2021).

R/Sir,

"JAI HIND"

Please refer to Observations raised by Nodal Officer Cum-APCCF (FCA), O/O Pr. CCF, HP, Shimla-1 vide letter No. Ft.48-5396/2021 (FCA) dated 24.04.2023 on the subject cited above. In this regard we hereby submit reply against the observations:

Sr. No.	Query / Observation	Reply / Clarification
1.	The justification for locating the project should be as per the guidelines mentioned in Chapter- I of handbook of Gol mentioned at point No. 1.15 and detail of alternative sites alongwith the reason for their rejection must be given.	The Justification Note for locating the Project in Forest land is enclosed herewith. The Alternative sites have been explored but the HT lines passing-by are as such located that it makes the construction of 33 kV Sub-Station a Site Specific Project. Further a Certificate from the District Collector regarding non availability of Non forest land for Construction of 33 kV HT Line Sub Station at Bhadwar has already been uploaded in Online Part I.
2.	The Muck Management Plan duly authenticated by DFO is required to be uploaded.	The authenticated copy of Muck Management Plan has been uploaded against Additional Information Detail in Online Part I.
3.	The layout plan showing the all component with measurement duly authenticated by DFO is required to be uploaded online.	The authenticated copy of Layout Plan has been uploaded against Additional Information Detail in Online Part I.
4.	Against the column No. 3, of Part-1, instead of mentioning the proposed area, district area has been mentioned, necessary correction be made.	The Part I has wrongly been mentioned instead of Part II, in the Observation Letter as stated above. The Point pertains to your Division.
5.	The Working Plan prescription of the proposed forest land has not been	The Point pertains to your Division.

	mentioned in online Part-II which may be mentioned as per the working plan prescription.	
6.	The total financial outlay of the CA has been mentioned as 153631 lacs in online Part-II whereas, as per the CA scheme the amount comes out Rs. 153631/-.	The Point pertains to your Division.
7.	Instead of uploading the recommendation against the column No. 16 of Part-II, forwarding memo. has been uploaded by DFO, necessary correction be made in this regard.	The Point pertains to your Division.
8.	Though there are 35 trees of different species involved in the proposed area hence, the list of trees required to be felled and retained also be provided.	The 35 number of trees enumerated in the Proposal are required to be felled. However all efforts will be done to minimize the felling of trees during the execution of the Proposal. An Undertaking in this regard has been uploaded against Additional Information Detail in Online Part I and same is enclosed herewith.

So you are requested to reconsider our proposal for diversion of 0.2320 Ha. forest land for the construction of the above cited proposal.

Yours truly,

**DIVERSION OF 0.2320 HA. OF FOREST LAND FOR CONSTRUCTION OF 33kV  
HT LINE SUB STATION AT BHADWAR, NURPUR IN DISTRICT KANGRA  
(H.P.)**

**FILE NO. : FP/HP/SubStation/142137/2021**  
**DATE OF PROPOSAL :**

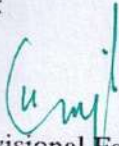

**JUSTIFICATION FOR LOCATION OF PROJECT IN FOREST LAND**

Certified that location of all the civil component of the 33 kV HT Sub-Station Bhadwar in Mohal Kalara, Mauja Bhadwar, Tehsil Nurpur, District Kangra, (H.P.) is feasible in the forest land only. The proposed 33/11 kV Sub-Station Bhadwar is located as such that the HT Lines passing from 220/132/33/11 kV Grid Sub-Station Jassur and 33/11 kV Sub-Station Kotla, pass by the proposed site, making it site specific project. There is no other Private land / Govt. land available in the vicinity so the construction of 33/11 kV Sub Station at Bhadwar is necessarily to be located in the proposed area. The proposal involves felling of 35 number of trees in placing the civil component of the Proposal in the forest land.
