

## JOINT INSPECTION REPORT

20

The Joint Inspection of the site for diversion of 0-23-20 hac of forest land for the construction of 33 KV HT Line Sub Station at Bhadwar in Tehsil Nurpur District Kangra H.P. was carried out on 31.07.2020 by the Committee consisting of undersigned officers. The 33 KV Sub-Station has been proposed to be constructed over Khasra No.117 of Mohal Kalera/Bhadwar. As per Revenue papers submitted by the user agency, the owner of land is H.P. Government with the possession of Tabe Haqook Bartan Bartandaran Reserve Pool and the legal status of the land is Banjar Kadim. But as per copy of Missal Hakiyat Bandobast Jadid Sani for the year 1981-82, the owner of the land is H.P. Govt. with the possession of Forest Department Tabe Haqook Bartan Bartandaran and the legal status of the land is recorded "Jangal Billa Sifat." The proposed land is the part of UP-19 Bhadwar C-20 which falls in Bindrabhan Beat of Nurpur Forest Range. In the proposed site total 35 Nos trees of various species & classes are involved.

The people of Gram Panchayat Khel, Khajjian, Punder, Nagani, Bhadwar, Kherian, Mijhgran, Rina, Kot Plahari, Hathidhar & Bagani will be benefitted immensely with better facility of electricity subsequent to the construction of proposed 33 KV Sub Station.

The proposed site for the construction of 33 KV HT Line Sub Station is the one involving minimum forest land and less number of trees. In view of the above circumstances, the diversion of 0-23-20 ha of land as coming in the proposed site cannot be avoided.

Hence, the Joint Inspection Committee, therefore, recommends that the forest land measuring 0-23-20 hac coming in the proposed site may be diverted for the construction of above said 33 KV HT Line Sub Station under Forest (Conservation) Act, 1980.
