**Sub:** Diversion of Forest land for proposed Third Railway Line between Kalyan to Kasara Stations of 67.62 km in Ulhasnagar, Kalyan & Shahapur Talukas in Thane district.

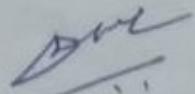

**Reg:** Submission of Forest Diversion Proposal

Respected Sir,

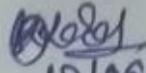

Kalyan-Kasara (67.62 Km) is electrified double line section of Mumbai Division. This corridor is known as the North-East Main Lines and is a part of CSTM-HWH Group 'A' route. All the three streams of traffic viz. Suburban, Mail / Express and freight trains use the same pair of lines between Kalyan & Kasara. Accordingly, the Government of India has decided to augment the carrying capacity by developing third line for the Kalyan-Kasara Corridor. Central Railway (CR), Ghatkopar, Mumbai is the implementing agency for the proposed 3<sup>rd</sup> railway line between Kalyan and Kasara stations through M/s RITES Ltd., Vashi as a Principal consultant.

A portion of the proposed alignment passes through forest area admeasuring 0.9322 Ha in Thane Forest division and therefore involves diversion of this forest land under Forest Conservation Act, 1980 for non-forestry purpose. In compliance to the provisions of the above Act, an application seeking diversion of in "Part- I of Form - A" is has been uploaded on MoEF Parivesh Portal under the prescribed procedure bearing proposal number FP/MH/RAIL/ 41780/2019. In continuation to the same, we are hereby submitting Hard copy proposal of the same for your further reference and onward processing.

Thanking You
