ENGINEERING BUILDING, HEC, DHURWA, RANCHI-4, FAX No. 0651 - 2400799

Letter No. 985/RE  
CE/RE

Dated: 08/8/16

From, Rahul Kr. Purwar, I.A.S.  
Managing Director

To, Deputy Commissioner,

Sub: Allocation of land for 33/11 KV Power Sub-station proposed in sanctioned DPR of DDUGJY, R-APDRP (Part-B) & IPDS.

Sir,  
Please find herewith the enclosed list of the details of 33/11 KV Power Sub-station proposed in sanctioned DPR of DDUGJY, R-APDRP (Part-B) & IPDS under your concerned district.

The tendering for award of the work is under process. The required land must be in the possession of the department in advance to avoid delay in execution of the work. The minimum land requirement for the construction of the Power Sub-station is 150 mtr X 150 mtr in rural area under DDUGJY and 40 mtr X 60 mtr in urban area under R-APDRP (Part-B) & IPDS. Also, the land allocated may be well connected to the road, so that the construction of the Power Sub-station will be convenient.

As such you are requested to instruct the office concerned and allocate the appropriate land required immediately. JBVNL officers are also directed separately to contact you for early allocation of the land.

Encl.- As above.

Yours faithfully,

Sd/-  
(Rahul Kr. Purwar)  
Managing Director

Memo No. 985/RE
