Ref.No. /2022 Date:17.06.2022

Sir,

Sub : Forest(Conservation)Act 1980-Mudumala tiger Reserve
Nilgiris Forest Division On line Forest Proposal for
Diversion of 0.70 Ha of Forest land essential details called
for –Furnishing replay - Regarding.

Ref 1 Principal Chief Conservator of Forests (Head of Forest
Force), Panagal maaligai, Chennai C.No TS3/18050/2022
dated: 16.06.2022

With reference to the above subject we are here by uploading the proposal duly
revising the earlier proposal with respect to the essential details sought for by the nodal
officer. The gist of reply is given below

1. Survey of India Topo sheet is uploaded with the boundary of the forest land
proposed to be diverted
2. Justification of the project for locating in forest area has been furnished.
3. There is no other road facility to go to these agricultural lands which are
located beyond the Naduhatty reserved forest. This coupe road that runs
through this forest is the only way to get to those farmlands. So there is no
need to put this map as there is no other way to go to those lands.
4. Certificate of the District collector regarding completion of process for
settlement of Rights Under Forest Rights Act,2006
5. This road project requires 0.6996 hectares of forest land. As this forest area
requirement is less than one hectare, it is not necessary to give Compensatory
Afforestation land as per the Government of India Guidelines. So providing
the Compensatory Afforestation land for this project does not applicable.
6. Under taking letter to pay the additional amount of NPV is enclosed

I therefore request that the proposal may kindly be processed further.

Yours faithfully

Jayabalan
