Regarding Revised Forest Area in the Expansion Project

An application for diversion of 244.536 Ha forest land for Nigahi Expansion Opencast Project (25 MTPA) was submitted on line by the project proponent on the Parivesh Portal vide proposal no FP/MP/MIN/140863/2021 dated 09.04.2021. In view of observations, site inspections, verification of earlier diversions of 874.146 Ha & 424.517 Ha (vide proposal no. FP/MP/MIN28571/2017 & F-1/732/2014/10-11/1773 respectively), KML's of forest diversion and discussion held for re-demarcation with DFO-Singrauli, the earlier proposed Forest land 244.536 Ha is now being revised as **229.348Ha** for diversion. The details of the land of expansion project are as under:

S. No.	Land	Area (in Ha)
1	Forest Land	229.348
2	Non-forest land	334.975
Total		564.323

The compartment wise breakup of the above forest land is as under:

S. No.	Compartment	Area
1	RF-272 (Part)	139.358
2	RF-273 (Part)	36.471
3	RF-274 (Part)	53.519
Total		229.348

S.N.	Affected Vill./Mohalla	Forest land to be diverted (in Ha.)
1	Muher	142.573
2	Medhauli	86.775
Total		229.348

It may please be noted while re-submitting the application on line on the Parivesh Portal, it is observed that the portal is not allowing the above changes to be incorporated. Hence, as per the discussions in this regard, it is requested that the necessary corrections in the forest area may please be accepted. The modified Geo- Referenced Map and topo sheet is also being uploaded for kind consideration.

Any other information which is required to be given as per the application format of the portal will be done after the portal is available for editing purpose.
