JUSTIFICATION

This is to confirm that we do not have any other approach road other than the forest road (Survey no 632) as we are processing our resort sanctions through town and country planning. As per the instructions of DTCP they want us to have the forest approach road on permanent lease through FC Act for period of minimum 33 years, hence we are applying for 50 years.

We also hereby declare that the above mentioned Survey no 632 is the only approach road to our project site.
