- Part III) 1998-2007** - 1st proposal for extension of lease.
- Part IV) 2007-2017** - 2nd proposal for extension of lease.

Thanking you,

2. We are enclosing herewith two copies of sketch No. R-1, showing Survey No. 52. We shall be grateful if you will kindly agree to the transfer of 35 acres of land from Survey No. 52 to the railway. Papers may kindly be sent for competent authorities' sanction.

We have, vide our letter No. J 729 WP/SHI of 4th October 1977, referred to the Government of Maharashtra to kindly make some forest land available for setting up a small railway Holiday Home at Mahabaleshwar. In this connection, we had a personal discussion with your R.W.O. on date, after inspection of the sites, representing Survey No. 52 and also Survey No. 223 and found that site of Survey No. 52 would be more suitable to the railway, being conveniently situated.

4. It has been reported by the Director of Town Planning that a portion of S.No. 223 has been included in the Green Belt around Karna Lake, since it has been decided to grant on lease 2 acres to the Railways for a Holiday Home and also to consider the request of Hotel Ganga from the same S.No. as proposed by you, it should be ensured that the two plots do not overlap. The Divisional Forest Officer is, therefore, requested to determine and indicate the actual plots to be given to the Railway and Hotel Ganga and demarcate them on the plan and furnish a copy thereof (in duplicate) to Government. While demarcating the actual plots it should be seen that they do not encroach upon the green belt reservation in the Development Plan of Mahabaleshwar and also do not include areas containing trees growth.

The Minister for Forest & Revenue,

Bombay.

Respected Sir,

Subject: Land at Khabaleswar for holiday home.

It was very kind of you to have given us a patient hearing about our urgent requirement of land at Khabaleswar for setting up a holiday home for recreation of railway personnel, similar to the one provided by the State Government.

2. We have already approached the State Government for kindly giving us 13,000 sq. ft. of forest land either on outright sale or on long lease. As the Railway Minister has announced that this work, along with staff amenity works, should be completed by the end of March 1978, it is essential that the land is made available immediately. We would therefore request you to kindly issue instructions that pending completion of the formalities, the Railway may be permitted to enter the land and commence the construction works. Temporary boundary posts may be provided by the Forest Department till the formalities are completed.

Thanking you,

Yours faithfully,

The Secretary
Revenue & Forest Department,
Government of Maharashtra,
Mumbai-400 032.

Sub: Holiday Home at Mahabaleshwar-
Extension of lease of the land.

Government of Maharashtra was kind enough to grant lease of about five acres of forest land at Mahabaleshwar for construction of Holiday Home for the Railway. The lease was granted for a period of 10 years initially and the agreement for the same was also executed. The initial period of 10 years expired in April, 1988. In this connection Ministry refer to this office letter of even no. dt. 13.9.87 (copy enclosed) in which further extension of lease for 30 years was requested. Since then Railway have been following up the case but the lease has so far not been extended. The issue was also discussed by GBE in a meeting held with the Secretary, Revenue Department on 18.7.88 and an extract of the minutes of the meeting is reproduced below:

Further the Chief Engineer, Central Railway brought to the notice of the Secretary the extension of lease agreement on the land given to Railway at Mahabaleshwar for the Holiday Home. The Secretary stated that he would look into it and give decision as the transaction is between Govt. to Govt.

In this connection it has been brought out that as per the lease agreement Central Railway was required to do afforestation on three acres of the land at the rate of 10 trees per hectare. However, due to the land given to Central Railway could plant only about 500 trees per hectare. Efforts have been made to do further afforestation but success could not be achieved due to the difficult rocky terrain. The planting of saplings by cutting and filling up with the soil is very costly and at a rate of Rs. 150 per acre. Due to the above reasons Railway is finding it difficult to carry out further afforestation on the 3 acres of land taken over for this purpose.

The Secretary,

Revenue & Forest Department,

Government of Maharashtra,

Mumbai,

Bombay-400 032.

Dear Sir,

Sub: Holiday Home at Mahabaleshwar-
Extension of lease of the land.

Government of Maharashtra was kind enough to grant lease of about five acres of forest land at Mahabaleshwar for construction of Holiday Home for the Railway. The lease was granted for a period of 10 years initially and the agreement for the same was also executed. The initial period of 10 years expired in April, 1988. In this connection kindly refer to this office letter of even no. dt. 11.8.87 (copy enclosed) in which further extension of lease for 30 years was requested. Since then Railway have been following up the case but the lease has so far not been extended. The issue was also discussed by CSE in a meeting held with the Secretary, Revenue Department on 18.7.88 and an extract of the minutes of the meeting is reproduced below:

"Further the Chief Engineer, Central Railway brought to the notice of the Secretary the extension of lease agreement on the land given to Railway at Mahabaleshwar for the Holiday Home. The Secretary stated that he would look into it and give decision on the transaction is between Govt. to Govt."

In this connection it has been brought out that as per the lease agreement Central Railway was required to do afforestation on three acres of the land at the rate of 1000 trees per hectare. However, due to the land given to Railway being rocky, Railway could plant only about 500 trees. Efforts have been made to do further plantation but success could not be achieved due to the difficult rocky terrain. The planting of seedlings by cutting and filling up of the soil is very costly and survival rate will also be quite low. Due to the above reasons Railway is finding it difficult to carry out further afforestation on the 3 acres of land taken over for this purpose.

In view of the difficult terrain for planting of trees, it is requested that leave may be extended without interest on this condition. If it is not possible, following alternatives are suggested.

1. Forest Department may specify equivalent area on a more fertile location in Mahabulnagar where the trees can be easily planted, and where the rate of survival will be higher. Railway will only do the plantation at their cost and will have a claim on the land and the trees so planted.
2. Forest Department themselves may carry out afforestation on 3 acres of land at Railway will accept the liability for the expenditure incurred.
3. One of the above alternatives will be acceptable to the Railway, in case Forest Department is unable to release the land without insisting on plantation of trees by Railway. If the end alternative is acceptable, the approximate amount may also be advised to this office.

Pending finalisation about the aforementioned proposals, it is requested that the leave may be extended for a period of 3 years and suitable instructions issued to all concerned in this connection.

An early action will be highly appreciated.

Yours faithfully,

No. 1/Land/1638 /97-98.
Savara, dated 21/3/1998

The Commissioner of Forests,
Kolkata Circle,
KOLKATA.

Sub: Mahabaleshwar - Expiry of lease of
Forest Land Survey No. 223 Mahabaleshwar
for holiday homes of Central Railway.
Ref: Your office letter No. D-3/Land-CR-15/
97-98/2286 dated 24-9-97.

Kindly peruse the letter No. SA/KR/LD/DB dt. 20-3-98
of Mr. Mahabaleshwar, Central Railway, Pune received
to this office on 21st March 98.

In the first para of Mr. Mahabaleshwar, Central
Railway dt. 20-3-98, mentioned that on 21st/9/98 the Govt.
of Maharashtra need necessary sanction for extension of
lease by 10 years is incorrect. However, the R & B.D.
Number's letter No. SA/2087/CR/20/2-3 dt. 21-9-98

specifically directed the Central Railway that a necessary
procedure to be followed for extension of lease on 2nd
April 1998. However, the Central Railway's letter dt. 20-3-98
specifically says that the lease automatically extends
extended upto 2-4-98 is entirely wrong.

It is very clear that the Central Railway need not
be empowered to get a lease period extended after 2nd April 98
under Forest Conservation Act 1980. Moreover, the Central
Railway Department continue to use the said land without
getting prior approval of the Central Govt. thus violating
Forest Conservation Act 1980. Hence the action taken by
the DE. Commissioner of Forests, Savara dt. 20-3-98 is

inconclusive with rules and regulations.

The Conservator of Forests,

Dear Sir,

Sub: Maharashtra - Extension of Lease of
Forest Land for Holiday Homes of
Central Railway.

While it is correct that 5 acres of land was handed over to the
Railways on 10 year lease from 3rd April, 1978 to 2nd April, 1988
by Govt. of Maharashtra (RFD) Bombay. However, before the
expiry of the lease, the Central Railway vide letter No. BB/M-
632/111/land dated 14.8.87 has requested the Secretary, RFD,
Govt. of Maharashtra, Bombay for extension of lease for 30 years.
In response to this request vide RFD's letter No. RFD/2087/
CR/506/4-3 dt. 21.9.88, the Government of Maharashtra has conveyed
necessary sanction for extension of lease by 30 years and you
were requested to send appropriate process for the same through
the Chief Conservator of Forests, Maharashtra State, Nagpur. We
are confident that this process must have been completed.
Accordingly, the lease automatically stands extended upto 2.4.98.

In the meantime, Central Railway is pursuing with the Govt. of
Maharashtra for extension of lease for 30 years. With a view
to obtain specific response from Govt. of Maharashtra on Central
Railway's request, you are requested to kindly instruct your
officers at Maharashtra not to seal the Railway property as
already agreed during my telephonic conversation with you on date.

In this connection, your attention is also invited to the General
Manager (Works), Central Railway's letter No. W/138/P-640/HM/11/9
dt. 3.5.93 to the Secretary, RFD department, Government of
Maharashtra, Mumbai. As already requested, please communicate a
suitable date for our meeting so that certain references cited by
you during our telephonic conversation can be looked into to
enable us to have the correct picture of the issue as the references
cited by you are not available with the undersigned. A suitable
date of the meeting may kindly be communicated either at Pune or

Subj: Mahabliashwar - Extension of Lease of Forest Land for
 Holiday Homes of Central Railway.
 Ref:- Your letter No. PA/MK/LI/DB dt. 20-1-98.

Sir,
 With reference to your above cited letter, it is pointed out
 that Govt. has not granted any sanction for extension of lease in
 question. Your contention that extension has been granted by Govt. is
 incorrect, and the idea that the lease automatically stands extended
 upto 2-4-98 is totally erroneous. In fact after the expiry of the said
 lease the forest land in question stands automatically reverted to
 Forest Department who is legal owner of the land.

2. In this context it is pointed out that after expiry of
 the lease period the land in question has already been taken in
 possession by the forest department from Railway authorities &
 documentary formalities completed on 17-8-88. In view of the same the
 question of the extension of lease does not arise at any stage,
 as the lease is already dead.

3. It is further pointed out that it was never agreed at any
 point of time during telephone discussion on 20-3-98 to instruct
 forest staff at Mahabliashwar not to sell the Railway property, though
 you have requested for the same time & again. Undesignated strongly
 feels that as the issue is already dead and as the forest land
 in question is in the possession of the forest department, no
 further meeting in this connection is necessary. All the above
 facts were brought to your kind notice yesterday on telephone.
 4. You are, therefore, requested to direct ~~xxxxxx~~
 your staff co-operate with local forest staff at Mahabliashwar in
 vacating the buildings standing on forest area in question.

expired in 1988.

As per your advice, we have approached Collector,

The required information is already available in your office as part of the original lease agreement and since this is a case of only an extension of lease for a substantially reduced area, it is requested that the case may kindly be considered accordingly instead of dealing this as a new case.

It is true that originally 2 acres land for Holiday homes and 3 acres land for afforestation was leased to Railways. However, due to hilly terrain, inspite of our best efforts, plantation could not be sustained on 3 acres of land proposed for afforestation. The balance land is proposed to be handed over back to the Forest department as already indicated in the plan No. DRM(W)/SK/R-59.

Check List No.23 - Required information is furnished against item No.4 (x). This office record indicated that the holiday homes were in survey No.223 and accordingly this plat and accordingly the certificate issued by Thalatt was submitted to your office. It is now confirmed that the holiday homes are existing on survey No.223/1 standing in the name of Forest department. Details of certificates and documents enclosed is indicated against item No.15 of proforma 'A'.

प्रकल्प यंत्रणेने या रेल्वे हॉलीडे होमसाठी ०.९२९ हेक्टर क्षेत्राचा (पुर्वीचे क्षेत्र कमी करून ११/१२/२००६ प्राथमिक प्रस्ताव दिला तो प्रस्ताव उपवनसंरक्षक, सातारा यांनी त्रुटीची पूर्तता करून या कार्यालयास सादर केला.

या प्रस्तावात त्रुटी असल्याने त्रुटी पूर्ततेसाठी सदर प्रस्ताव उपवनसंरक्षक, सातारा कार्यालयाकडे दिनांक २/०१/२००७ चे पत्राने परत पाठविणेत आला. या त्रुटीची पूर्तता करणे बाबत प्रकल्प यंत्रणेला उपवनसंरक्षक, सातारा कार्यालयाकडून स्मरणपत्रे देऊनही सदर प्रस्ताव पूर्ण करून देण्यासाठी गार्भियाने दखल घेतली गेल्याचे दिसत नाही.

विषयांकित प्रकरणी शासनाने प्रतिवर्षी रु. ९६००/- या दराने सन १९७८ चे पत्राने भाडेपट्टा मंजूर केलेला आहे. तथापी ही भाडेपट्ट्याची मुदत संपल्यानंतर भाडेपट्टा मंजूर झालेला नाही. मात्र भाडेपट्टा संपल्यानंतरही प्रकल्प यंत्रणा सदर क्षेत्राचा वापर करीत आहे. अशा परिस्थितीत त्यांचेकडून वनक्षेत्राचा वापर केल्याबद्दल प्रचलित दराचे भाडेदराने भाडे वसूल करण्यास उपवनसंरक्षक, सातारा यांना सूचना देण्यात येत आहेत. सदर कृतीस अनुमती देण्यात यावी.

उपवनसंरक्षक, सातारा कार्यालयाकडून विषयांकित प्रस्ताव प्राप्त होताच यथाशिष्ट सादर करणेची तजविज्ञ ठेविली आहे.

Office of the

Date - 04.07.2007.

Sub - Extension of lease for Railway Holiday Home at Mahabaleshwar.
Ref - Your letter No. 31/5774/1 / 335/07 - 08, Satara dated 21/06/2007. &
Letter No. 09/5774/1/1107/07 - 08, dated 22/06/2007.

Refer to your letter quoted above & noted the contents of the letter it is to inform you that this office is constantly in touch with your office for attending the corrections in the booklet of proposal. This office has deputed Shri. R. B. Gaitwad, Divisional Engineer & Shri. S. B. Bhise, Sr. Clerk for getting the lease extended & they have already visited your office as well as CPO, Kolhapur's office 2 - 3 times during May & June for approving the corrections made in the proposal booklet. However again some corrections was suggested with additional documents required.

Mean while Dy. CF/ Satara has visited Railway Holiday Home, Mahabaleshwar on 16.06.2007 & inspected the entire area. During inspection he has pointed out that the drawing prepared for this area is not tallying with actual measurements & advised to do survey of the entire area and show every structure on the land in the drawings & submit the details of area afresh. It was pointed out by Shri. R. B. Gaitwad, Divisional Engineer of this office that some of the structure are actually outside the proposed boundary of the land, & to attend any repair to boundary wall, some extra land by approximately 1.0 m beyond the proposed boundary may be included in the revised proposal with marginal increase in land to be occupied by Railway. Dy. C. F/ Satara has agreed for the same & requested to submit the proposal at the earliest. It has been advised to submit the proposal with actual area required at site.

Accordingly complete survey has been done in presence of Shri. Kumbhar surveyor of your office & it is seen from the drawing that area under actual possession of Railway since, 1978 is 1.58 Ha instead of 2.02 Ha. Now therefore it is proposed to occupy only 1.58 Ha area for Railway Holiday Home. Accordingly fresh drawing No. DRM (W) PA - R - 563 has been prepared & is submitted for your approval & necessary action please.

Similarly corrections in proposal booklet & additional documents as requested by your office has been compiled. This proposal is being now submitted along with Drawing No. DRM (W) PA - R - 563 for your approval & necessary action.

४. आपले पत्र क्र. PA/W/DB/LM/HH/ Mwar dated ३/९/२०१२

विषयांशिक प्रकरणी आपले दिनांक ३/९/२०१२ चे पत्र पाहता आपण वनक्षेत्रपाल महाबळेश्वर यांनी केलेली कार्यवाही चुकीची असल्याबद्दल कळविलेले आहे. वास्तविक वनक्षेत्रपाल महाबळेश्वर यांनी केलेली कार्यवाही ही योग्यच आहे. कारण आपण या मांडपट्ट्याने दिलेल्या वनजमीनीचा मांडपट्टा संपलेला आहे. त्यानंतर त्यास कोणत्याही प्रकारची मान्यता प्राप्त झालेली नाही.

बाबत वस्तुस्थिती अशी आहे कि, आपले महाबळेश्वर येथील रेल्वे स्टेशन रोम शासनाने दि. १८/७/१९७८ चे १० वर्षासाठी मांडपट्ट्याने दिलेले होते. त्यानंतर मांडपट्टा जलनीकरणासाठी पत्रव्यवहार झाला परंतु, मांडपट्टा जलनीकरणा झालेला नाही. तत्कालीन वनक्षेत्रपाल महाबळेश्वर यांनी दि. १७/८/१९८८ रोजी सदर इमारतीचा ताबा घेतला होता. परंतु, प्रत्यक्षात आपले विभागकर्मचारी या इमारतीचा ताबा घालवला होता. सन १९९८ दरम्यान सदर इमारतीचा वनविभागकर्मचारी ताबा घेण्यात आला. त्यावेळी आपण विनंती केलेनुसार व मुख्यवनसंरक्षक, म.रा.नागपूर यांनी दि. ४/५/१९९८ चे पत्राने कळविलेनुसार विषयांशिक रेल्वे स्टेशन रोम महाबळेश्वर या इमारतीचा ताबा आपण दिलेल्या हमीपत्रानुसार पुन्हा आपणास दिलेला आहे. त्यामधील आपण या रेल्वे स्टेशन रोम महाबळेश्वरसाठी लागणा-या वनजमीनीचा वनसंवर्धन अधिनियम १९८० अंतर्गत प्रस्ताव पूर्ण करून देण्यात येऊन असे कळविलेले होते. तथापि, त्यानंतर वनसंवर्धन अधिनियम १९८० अंतर्गत प्रस्ताव लघार केला व ती वरिष्ठ कार्यालयास सादर झाला. या प्रस्तावामध्ये काही चुकी कळविण्यात आल्या व याची पूर्तता करून देण्याबाबत कळविलेले तसेच अनेकवेळा स्मरणपत्रे पाठविली परंतु आपणाकडून प्रस्ताव पूर्ण करून देण्यात आलेला नाही. त्यामुळे प्रस्ताव अद्याप अपूर्व राहिलेला आहे. तरी विषयांशिक प्रस्तावातील चुकीची पूर्तता करून द्यावी. तसेच वेळोवेळी वनसंवर्धन अधिनियम १९८० अंतर्गत प्रस्तावासंबंधी मार्गदर्शक सूचना प्राप्त होताना, ती त्याप्रमाणे प्रस्ताव तत्काळ पूर्णपूर्व करून द्यावा हे विनंती.

PLEASE TREAT THIS AS MOST URGENT.

Hence, in view of above it is requested to give the permission for installation of wind-solar hybrid system at Railway Rest house premises so that electricity failure can be solved with the help of non-conventional energy generated through wind-solar.

The tender for above work has been invited and likely to be awarded @Rs. 56.22 lakhs. However, it is seen from records that this land belongs to Forest department and given to Railway on lease basis and any modification is to be approved by the Forest Department.

A above said work has been sanctioned for "provision of wind-solar hybrid system" of Height 15 mtr including other items like solar water heater, solar street lights etc @ cost of Rs. 51.62 lakhs in Railway rest house Mahabaleshwar, as there are frequent failure of MSEDCL supply in this area and is causing lot of inconvenience to guest due to non-availability of electricity. It is expected that with the provision of wind-solar hybrid system, the electric supply problem will be solved.

Respected Sir,

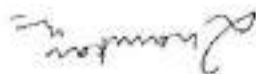

As you know that in spite of 34 years have passed, the Central Railways have not renewed the lease of forest land nor have sought approval of the central Government under the provisions of the Forest Conservation Act 1980.

The plain reading of section 3(a) of the Forest Conservation Act suggests that the forest authorities should inform the Central Government about the violation of the Forest Conservation Act 1980. Hence I have to request you to kindly inform the Central Government about the non-extension of lease by the Central Railways.

Further, before taking any action against the Central Railway you need to give an opportunity of personal hearing to the Central Railway and therefore I have to request you to kindly call upon the authorities of the Central Railway for a personal hearing and then after proceed as per law.

Thanking You,

Yours Truly,

Sub: - Extension of lease period of Mahabaleshwar Holiday Home situated on

Forest Land

Ref:- This office's letter dt.25.02.2022 and 18.04.2022.

In connection with the above, it is stated that Forest department had allotted 5 Acres of forest land to Central Railway for a period of 10 years starting from April 1978 to April 1988 for constructing holiday homes for its employees as per the agreement executed with Divisional forest officer, Satara on 22.01.1985. Accordingly Railway constructed 4 Suits for officers and 16 Suits for Group 'C' and Group 'D' staffs in year 1982.

As soon as the lease period got over in the year 1988, Railway consequently applied for extension of lease for a period 35 Years but could not be materialized due to various reasons.

In 2018, Forest department had advised to submit fresh application for renewal of lease. Accordingly a fresh application No. FP/MH/RAIL/40748/2019 was uploaded in PARIVESH portal with all necessary documents and the same was confirmed by nodal officer that the proposal has been found to be complete in all respect. There after 7 hard copies of the proposal were submitted and acknowledgement of the Forest Dept and Collector Satara has been taken and uploaded in the portal and submitted the proposal to Forest Office Satara on dt. 09.09.2020 and 08.02.2022.

Thereafter Forest Department had raised some queries and the same has been replied on dt. 25.02.2022 and 18.04.2022. The proposal is currently with your office. Now on 18.04.2022 your office had sealed the Railway Holiday Home.

It is brought to your kind information that Railway being a Central Government organization is not using the Forest land for any Commercial activity. No construction activity had been carried out and no tree felling has ever been done. The above proposal is submitted on the portal and is under process. We assure you to expedite the proposal and get Stage-I clearance within 6-7 months. It is therefore requested to remove the seal and let Railways use the Holiday Home internally please.

This is for your kind information and in anticipation of positive action please.

(ii) Our meeting dt. 29.04.2022 (Also present :- ADRM/Intra/Pune,
Sr DEN(S)Pune, DEN(HQ)Pune).

With reference to our meeting in your office today and in continuation of
ADRM/Pune's letter under reference (i) above, the following points are reiterated for
your consideration:

- (i) The land was taken by Railway on lease in the year 1978, initially for a period of 10 years.
- (ii) Several attempts were made by Railway for the extension of lease since 1988 and the due lease premium till 2009 was also paid in the year 2007.
- (iii) The premises have been used by Railways as Holiday Home for the officers and staff of entire Indian Railway for almost 44 years.
- (iv) At no point of time during the entire period of 44 years, any commercial activities have been carried out at or from the said premises.
- (v) A fresh proposal for extension of lease has been submitted to DCF/Satara, which has been accepted by the DCF office.

In view of the above, it is requested that, keeping in view that the issue of lease is between two Government Departments, which will be settled in the due course, that there is a very long history (44 years) of use of the said premises by Railways and the inconvenience caused to Railway staff and Officers of the entire Indian Railways in this peak summer season, it is requested to remove the seal and open the said premises, pending extension of the lease, for which all the due requirements will be complied.

(ii) Our meeting dt. 29.04.2022 (Also present :- ADRM/Intra/Pune,
Sr DEN(S)Pune, DEN(HQ)Pune).

With reference to our meeting in your office today and in continuation of
ADRM/Pune's letter under reference (i) above, the following points are reiterated for
your consideration:

- The land was taken by Railway on lease in the year 1978, initially for a period of 10 years.
- Several attempts were made by Railway for the extension of lease since 1988 and the due lease premium till 2009 was also paid in the year 2007.
- The premises have been used by Railways as Holiday Home for the officers and staff of entire Indian Railway for almost 44 years.
- At no point of time during the entire period of 44 years, any commercial activities have been carried out at or from the said premises.
- A fresh proposal for extension of lease has been submitted to DCF/Satara, which has been accepted by the DCF office.

In view of the above, it is requested that, keeping in view that the issue of lease is between two Government Departments, which will be settled in the due course, that there be a very long history (44 years) of use of the said premises by Railways and the inconvenience caused to Railway staff and Officers of the entire Indian Railway in this peak summer season, it is requested to remove the seal and open the said premises, pending extension of the lease, for which all the due requirements will be complied.
