2	The village wise break up is not clear as the detail provided with the proposal of villages to be benefited are of 5 villagers but in village wise break up detail furnished only two villages and the area of forest land is also not mentioned against these two villages. The State Govt may review the same and provide correct detail for each village in village wise break up un onlne Part I	Maniguh is the revenue village panchayat under which Syal Dobha, Khalyon, Bandi, Gair Patala and Patala villages are under the category of TOK	uploaded at section B-2.3 of Form A part I												
3	As per the villages to be benefited by the proposal includes 5 villagers but the village level committee proceedings provide pertaining to only one village. The state Govt may review the same and clarify accordingly. If required, provided the VLC proceedings for other villages also.	The actual beneficiaries are 5 TOKs not the revenue villages. All 5 TOK comes under one revenue village Maniguh . So under the FRA act 2006 village level proceeding is conducted for revenue village Maniguh only.	-
