

No. D7- 5755/15.

Office of the Executive Engineer,
PWD, Roads Division, PMG Junction,
Thiruvananthapuram, Pin Code- 695033.
Dated: 20.06.2018

From

The Executive Engineer.

To

The District Collector,
Thiruvananthapuram.

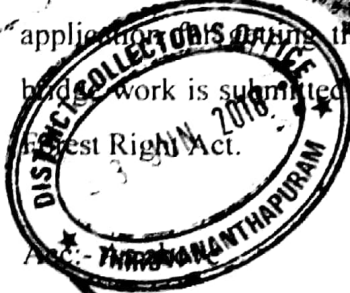

Sir,

Sub: KIIFB-2016-17-Construction of Kumbichalkadavu Bridge across Karippayar in Parassala Constituency- Submission of Hard Copy of documents submitted online for forest/wild life clearance- reg:

Ref: 1. GO(Rt.) No. 1496/2016/PWD dtd. 31.10.2016.
2. Order No.APR-3/337/2017/KIIFB dated 01.01.2018 of the Chief Executive Officer, KIIFB

It is proposed to construct a bridge at Kumbichalkadavu in Amboori Grama Panchayath across Karippayar River inside Neyyar Reservoir in Parassala constituency of Thiruvananthapuram District. The Government have accorded Administrative Sanction for the project vide reference 1 cited. Also the KIIFB has issued Financial Sanction for the project vide reference 2 cited. But the reservoir, across which the bridge passes through, is a part of the Wild Life Sanctuary. Hence clearance from the Forest Department is necessary. For this, online application has been submitted for getting the forest and wild life clearances on 20.03.2018 and on 17.04.2018 respectively. Now nodal officer of the forest department in his latest query dated 16.06.2018 has mentioned to submit a copy of the documents uploaded during the submission of online application to the District Collector also for taking further necessary action in the matter as per the Forest Right Act.

Hence the hard copy of the documents uploaded during the submission of online application for getting the forest/wild life clearance in connection with the above mentioned bridge work is submitted herewith for taking of further necessary action in the matter as per the Forest Right Act.

Yours faithfully,

S.S. Deebath
Executive Engineer.
