No. 11382-86

Dated. 25-06-2022.

**The Divisional Forest Officer,
Ramban Forest Division,
Ramban.**

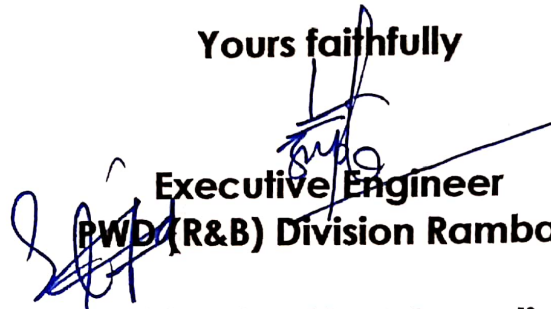

Subject : Diversion of 3.27 ha of forest land for construction of road from Ramakunda to Gool, District Ramban, UT Of J&K

Reference: Your letter No. RFD/1314 Dt. 04-06-2022

Sir,

In context with the above noted subject, whereby it was desired for submission of alternate route examined, it is to submit that the entire area is forest and the alignment already selected passes through the tribal route/path and involves least number of land as well as trees. Moreover, it is pertinent to mention here that no alternate alignment is technically feasible for road construction as the whole stretch is hilly terrain and it is not possible to maintain grade in any alternate route.

Yours faithfully

**Executive Engineer
PWD (R&B) Division Ramban**
