CA LAND SUITABILITY CERTIFICATE

This is to certify that the plot of the land of 98 ha i.e., double the proposed area of 48.987 ha, for compensatory afforestation plantation against revised proposal for diversion of 48.987 ha forest land for construction of 132 kV D/C Transmission line from Biswanath Chariali to Itanagar by NER II Transmission Ltd is available at Magoni forest area. The plot, which falls under Drupong Reserve Forest, is free from dispute, and is suitable for creation of Compensatory Afforestation Plantation. The actual tree density in the proposed CA site is very low but seems high due to presence of wild bamboo, banana, bushes etc.
