

IndianOil-Adani Gas Pvt. Ltd.

Certificate for Non-availability of Alternate Land for CGD project in Nalanda District.

IndianOil-Adani Gas is implementing City Gas Distribution project in Gaya & Nalanda district under which steel network is to be developed. For this purpose, steel pipeline to be laid along the roads in Gaya & Nalanda. Steel pipeline route will originate from GAIL SV 5 (CGS) Gorwan village in Nalanda District and will traverse along the roads in Silao, Nalanda & Rajgir on (NH82, SH-71, NH-31, RCD road to ordinance factory).

19.83 km of steel network is envisaged to be developed in Nalanda district. Network is falling under protected forest along various roads as per schedule.

The pipeline will feed to CNG outlets and PNG centers in the city/town of Nalanda district by utilizing minimum forest area in shortest route.

It is hereby certified that there is no alternate land available other than proposed forest land for laying/construction of CGD natural gas pipeline.
