It may please be clarified, if no further non-forest or Forest land is required in other two districts of the proposed line. It may be clarified.</p>	<p>The construction of 3rd railway line between Titlagarh to Vizianagaram covers 264Km pertaining to Bolangir, Kalahandi & Rayagada Dist. of Odisha under Rayagada Forest Division. 2	<p>It is observed that in online application the user Agency has reported that 24.168 ha of Non-Forest land is involved in the project under item A1(ix) but in item B.2.3 & B. 2.4 in details & abstract of non-forest land involved in the project it has been mentioned that 23,878 ha of non-forest land is involved in the project. This needs rectification.</p>	<p>At initial stage while uploading the proposal in Parivesh Portal there was a typographical error in the area of non-forest land and it was shown wrongly as 24.168 hac. instead of 23.7277Hac. under item No. A-1 (IX), B- 2.1 and B- 2.2 in Form A part 1. After submission of proposal and by the time of Grama Sabha done for Revenue land, as per the revenue records and the area for which Grama Sabha done, the Non-Forest area comes to 23.878Hac.
