JUSTIFICATION LETTER FOR FOREST LAND DIVERSION

1. The project for construction of road from Purmandal to Rajoli having length 2.5 Km. has been sanctioned under NABARD RIDF-XXVI. The proposed road is a village road connecting villages Purmandal, Rajoli, etc with motorable link. It shall take off from village Purmandal. The road shall benefit population of about 100+ souls who have to track on foot to reach to the roadside at present and all the commodities required are transported manually using ponies. The road shall pass through hilly terrain.
2. Forest area cannot be avoided as the alignment proposed is the only feasible alignment providing vital connectivity to the hamlets.
