Sir,

This has reference to letters as detailed in references requesting to sanction the roads in order to provide connectivity to 93 habitations which were wrongly shown as connected and also wrongly located during the preparation of Core Network.

2. In this regard, State has submitted Geo-tagged photographs and .kml file for the roads. The same has been verified and the observations of NRRDA have been communicated to State. The State has submitted compliance on the observations of NRRDA and requested to issue necessary permission to correct the connectivity status of those 113 habitations from 'Connected' to 'Unconnected' in CN and OMMAS as well and also requested permission to prepare and submit the DPRs for connecting those 113 habitations under PMGSY.

3. In view of the above, I am directed to inform that with the approval of competent authority the request of the state has been agreed to. You are requested to get the approval from the Gram Panchayat, Zilla Panchayat and SLSC for such revisions in due course and a copy of the same should be shared with NRRDA/MoRD.

4. Further state is requested to update the Core Network DATA on Maps as well as on OMMAS and also upload the proposals on OMMAS.

This is for information and further necessary action at your end.

Thanking You,

Yours sincerely,

R. Pateriya
(I.K. Pateriya)

Shri K.K. Srivastava,
Chief Engineer, PMGSY
