

Title of Project:- C/O Tehsil Office Building at Kupvi Distt. Shimla  
Online Proposal No.:- FP/HP/Others/145487/2022

### Justification for Alternatives Examined

The proposed site for the said project has been carefully finalized after considering a total No. of three alternate sites for the said project.

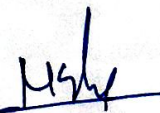

#### The Detail of Alternative examined and reason for their selection and rejection:-

Sr. No	Alternate	Selected/ Rejected	Area	Number of Trees	Reason for Selection or Rejection	Remarks
1	Alternate-I	Selected	0.2803 Ha.	20	Most feasible and suitable site as per the requirement of the project and less number of trees are involved in the alignment of the project.	Recommended as site specific as per the geography and no non-forest land is available for the said project in the region
2	Alternate-II	Rejected	0.2986 Ha.	72	More number of trees are coming in the alignment. More area involved in the alignment.	Not feasible
3	Alternate-III	Rejected	0.3271 Ha.	84	More number of trees involved in the alignment as compared to Alternate-I and more Vulnerable to soil erosion.	Not feasible

It is further stated that the land holdings in Himachal Pradesh is very less and land acquisition is not possible. Moreover, in this region the private land under the ownership of local people is very less and being a agriculture and horticulture produce zone the people are dependant on their land holdings for their livelihood and they are not willing in providing their land to the said project and no other non-forest land is available for the said project in the region.

Therefore keeping in view the above parameters **Alternate-I** is finalized for the Tehsil Office Building at Kupvi Distt. Shimla. This site would be appropriate as no huge damage is suppose to be done to Forest area as well as to environment and beautiful feature of the valley. Ultimately the **Alternate-I** is finalized and adopted for the construction of **Tehsil Office Building at Kupvi Distt. Shimla.**
