(ಲೋಕೋಪಯೋಗಿ, ಬಂದರು ಮತ್ತು ಒಳನಾಡು ಜಲಸಾರಿಗೆ ಇಲಾಖೆ)

ISO 9001:2008

-2-

3. During the course of laying the OFC if any longitudinal drains/ cross drains/ shoulder drains are damaged or blocked the same should be made good to its original conditions with proper drainage to be functional.
4. All road safety measures shall be taken during the execution of work. Proper barricading danger lights, cautionary boards shall be compulsorily provided during execution. The Traffic police shall be arranged to ensure smooth and free movement of vehicular traffic, Any lapses in this regard, the firm will be held solely responsible for all the consequences .
5. The footpath cutting and refilling work should be done within one twenty (120) days from the date of permission date.
6. Care should be taken not to damage or alter existing carriageway at Culverts, bridges, and any C.D works come across signboards/ information boards, and any other utilities of this department as well as the utilities of other departments/ firms like water supply line, GESCOM Cable, BSNL Cables etc.,
7. NOC should be obtained from this office after completion of the work satisfactorily. If any damages occurred/made to the proper road and anywhere with the road land width other then the purpose allowed shall attract the section 19-B if chapter III A of the Karnataka Highway Act-1964.
8. In case of any shifting or alternation is required due to widening and improvements of the Road, concerned Company shall do the same at its own cost and risk at later dates with in specified period, after obtaining the NOC of this department.
9. According to Karnataka State Highway Act -1964, the Highway authority may cancel any permission granted under sub-section 21(b) of section (22) if the purpose for which permission was given has ceased to exist.
10. According to Karnataka State Highway Act -1964, the Highway authority may cancel any permission granted under sub-section 21(c) of section (22) in the event of any breach by the holder of such permission of any terms or conditions of such permission.
11. During the execution of work, any harmful incident takes place for the public/animals the firm will be held solely responsible for all the consequences.
12. Pipes and other construction materials shall be stacked at site only in consultation with the Executive Engineer /Assistant Executive Engineer or any other officer in charge of site concerned and will not be stacked more than 5 days before commencement of the work. The excess cut soil, boulders, rubbles, balance pipes / cables should be removed from the site at the cost of requisitioning authority immediately after back filling is completed, at any rate within 48 hours of completion of works.
13. Works should be carried out causing minimum hindrance to traffic and inconvenience to the public. In cases where traffic is not blocked, trenching, pipe laying, back filling and rectification are to be done simultaneously.
14. Pipes should be laid at a minimum depth of 1.65 meters.
15. The guarantee period for the rectification work will be six months and the Requisitioning Authority will be responsible for rectifying damages on the road surface during the guarantee period.

(ಲೋಕೋಪಯೋಗಿ, ಬಂದರು ಮತ್ತು ಒಳನಾಡು ಜಲಸಾರಿಗೆ ಇಲಾಖೆ)

-3-

16. (a) If any damage occurs to other portions of the road due to laying of pipe or cable work which were not anticipated during the preparation of estimate for restoration of the road, the same shall also be rectified for restoration of the road, the same shall also be rectified by the Requisitioning Authority at its cost.
- (b) The trenches taken for laying pipes shall be filled up with sand 15cm above pipes.
17. Proper lighting, fencing, caution boards and other precautionary measure as per IRC SP-55/2001- Guidelines on safety in road construction zone should be ensured by the Requisitioning Authority in order to avoid any kind of accidents and the Requisitioning Agency will be solely responsible for any accident or damage caused during the execution of works or during the guarantee period. The Requisitioning Authority shall be liable to pay a penalty of Rs. 5000/- (Rupees Five thousand only) per day for not providing adequate safety measures on receipt of notice from this Office.
18. If any damage is caused to the utility services of other agencies during the works, the complete cost for rectifying the damages are to be borne by the Requisitioning Authority.
19. The Requisitioning Agency should re-lay / shift them utilities such as pipes, cables, etc. as and when requested by PWD for road widening and for other purposes at their own cost without claiming any charges PWD and within the stipulated time.
20. If any retrenching is to be done for rectification of joints / leakages etc, restoration of road to its original condition should be arranged on the same day itself.
21. In City places all the roads are constructed with Bitumen/CC surface in such cases the proposed Optical Fibre Cable (OFC) shall have to be laid through the HDD method.
22. ಮೇಲಿನ ಅಂಶಗಳಲ್ಲಿ ಯಾವುದಾದರೂ ಲೋಪದೋಷ ಕಂಡು ಬಂದಲ್ಲಿ ಸ್ಥಳದಲ್ಲಿ ಕಾರ್ಯನಿರ್ವಹಿಸುವವರ ಮೇಲೆ ಕಾನೂನಿನ ಪ್ರಕಾರ ಎಫ್.ಐ.ಆರ್. ದಾಖಲಿಸಲಾಗುವುದು.

Further it has been intimated to the concerned company (M/s Jio Digital Fibre Private Limited, Bangalore) to pay the **Ground rent charges** as per Karnataka Highway Act 1964 in accordance with the approval of the Government of Karnataka.

Your's faithfully

K. Adarsh
