

Full title of the project: Site inspection notes on Compensatory Afforestation (CA) Scheme for Non-Forest CA Land identified to an extent of Ac 38.1150 gtsin Sy.No.316/1 situated at Konapur (V) of Bibipet (M) of Kamareddy Division of Kamareddy District in lieu of forest lands proposed for diversion under F(C) Act,1980 for various FCA Proposals.

CA SITE INSPECTION REPORT

Smt Nikitha Boga, I.F.S.
District Forest Officer/Deputy Conservator of Forests,
Kamareddy.

I along with theForest Divisional Officer, Kamareddyand I/C Forest Range Officer, Machareddy and field staff on 22.04.2022, have inspected the proposed area for diversion of forest land forBanswada to Uppalwai Road (17/080 to 18/278 & 22/180 to 23/042)proposed is as given below:

Sl. No.	District	Division	Name of the proposals	Area in Acres
1	Kamareddy	Banswada	From Banswada to Uppalwai Road (17/080 to 18/278 & 22/180 to 23/042)	12.28 ½

The Non Forest Land Ac 12.28 ½ gts.inSy. No. 316/1 situated at Konapur (V) of Bibipet (M) of Kamareddy Division of Kamareddy District is adjacent to Compt. No.568 of Amberpet RF of Machareddy Range. The land is free from encroachments; it is classified as “Charai”. The CA land now proposed has not been proposed or recommended to any other assignment or alternate land for any other project of any department. The land is found to have open scrub forest with good vegetation and certain areasare rocky patch and has presence of large boulders which is not suitable for taking up of LI plantation and saline patches at certain location Hence the CA plantation may be taken over DFL as per clause 2.81 of FCA Handbook guidelines

However it is proposed for digging of CPT, Construction of boundary pillars ,to take up SMC structures, Procurement of fire fighting equipment, awareness programmes of fire management works etc in the said area . During the field inspection it is noticed that certain cart tracks are existing which are occasionally used by Locals as observed by field staff , hence the area should be protected with chainlink fencing at the cost of UA as it is an isolated patch and prone to encroachment
