UNDERTAKING FOR POSSIBILITY OF SHIFT THE DUMPING SITE TO NON FOREST AREA

I, Rajesh Sharma , Executive Engineer HPPWD outer Seraj Division Nirmand hereby , undertake that the possibility to shift the dumping site of area 0.7612 Hact. To private land from the govt land has been explored on the site . The private land adjoining to the road alignment is cultivatrd agriculture land and no degraded private is available hence local people are not ready to gift the private land for dumping site. The alnd holding the public of Durah-2 , Mendha , Maltha & Mohanu (Jalori) Village are very limited as the area is hilly and very small patches are cultivated in this hilly area. The local public public is depending on agriculture to make both and keeping in view the above facts and reasons , it is not possible to shift the dumping to the private land.
