Wildlife Warden, Rajasthan. The discussion covered the issues raised by Shri Jaisal Singh and other members. The following decisions were taken:

1. After discussion about the mandate of the Committee, it was decided that the stake holders who have not complied with the decisions taken in the meeting of State Board for Wildlife on 15.07.2021 may be called in the next meeting.
2. A corridor map should be prepared for all Tiger Reserves and potential tiger areas.
3. A comprehensive rescue plan for wildlife may be developed for Jodhpur circle in view of the heavy demand for rescue of wild animals in that area. This may then be presented to the Government for implementation.
4. Priority should also be given to research and conservation activities of wildlife other than tiger, leopard, Great Indian Bustard, etc.
5. Matters which are subjudice may not be considered by the committee as this may be construed as interference in the proceedings of the Hon'ble Court and contempt. Reference was made to DB(CW) 7567/2021 Chandrabhal Singh vs GoR and others; and DB(CW) 3992/2021 Suo moto vs GoR and others in this regard.

The meeting ended with a vote of thanks to the Chair.
