

**GOVERNMENT OF MIZORAM
DIRECTORATE OF TRANSPORT
MIZORAM, AIZAWL
(INLAND WATER TRANSPORT)**

No. B. 13015/3/2019-DTE(IWT) Dated Aizawl, the 6th June, 2022

MUCK DISPOSAL PLAN

Construction activities at two Terminal locations involve earthworks both cut and fill. The earthwork likely to be generated from cutting will be marginal and no dumping likely to be required. Hence, there is no Muck disposal plan is required. Moreover, the area of construction will be very less here as only two terminals are proposed to be constructed in very small area. Hence, no major impact on land environment is anticipated.
