Sub: Land Suitability certificate for Compensatory Afforestation (CA) Land-A03-Chapaguri- Amteka.

Sir

With the above-mentioned subject, I would like to inform you that we made a joint visit to the propose Compensatory Afforestation (CA) landsite on 24th Jan, 2022 measuring a plot of land measuring 277 Bigha (36.92 ha-approx.) covered by Dag No-226 of Village Sishoobari under Chirang Mouza under Chirang District. The land which was shown to us by your team was found suitable for plantation. This CA land is near to the boundary of Manas National Park. So, department can cover the CA land in to the National Park boundary. This is for your information and necessary action.

Yours faithfully

(BN Patiri, DCF)
