

"Save Energy Save Money"
HIMACHAL PRADESH STATE ELECTRICITY BOARD LIMITED
(A State Government Undertaking)

OFFICE ORDER

In exercise of financial powers vested in Director (Op.) under Sr. No. 1(i) of D.O.F.P. HPSEBL, 2011 (Capital works), Administrative Approval is hereby accorded amounting to Rs. 159.53 Lac (Rupees one crore fifty nine lac fifty three thousand) only to the "Scheme for construction of 22 KV Control Sub-Station at Kansakoti in Electrical Sub-Division, HPSEBL, Rohru under Electrical Division, HPSEBL, Rohru".

The scheme shall be posed to M/S REC Limited by the office of the Chief Engineer (SO&P), HPSEBL, Shimla-04 for funding duly incorporating/considering the views of the F&A wing as under:-

1. E/S shall be issued/considered on actual tie up/receipt of funds from M/S REC Limited for which proper justification for the importance and need of the work needs to be attached with the proposal.
2. The cost estimate has been compared with some of the earlier tendered similar item and huge variation has been observed in these estimated rates and the rates of L-1 in other tender. The proposal for tie up of funds would perhaps be based on estimates and in case the actual tendered amount works out to be higher than the estimated amount then in that eventuality necessary provision needs to be made in the proposal for tie up of additional funds with the lending institution because due to our bad financial health we may not be able to pay difference out of our own receipts. This aspect may be kept in view for the preparation of estimate for funding.

No. HPSEBL (Sectt.)402-11 (859)/2013-23862-69

Khadim 21/6/13
Chief Engineer (P&M),
HPSEBL, Shimla-04.
