Sub.: Inclusion of additional TSSs in the scope of work in Khurja-Pilkhani section of EDFC.

Ref.: (i) Agreement with POWERGRID dated 28/03/2016.

(ii) DyGM/BDD/POWERGRID letter no. CC:BDD:DFCCIL-EDFC dt. 18/05/18.

As per the contract agreement executed with POWERGRID, earlier Muzaffarnagar detour TSS was in the scope of transmission line work. However considering technical aspects of train operation, 02 new TSSs i.e New Talheri Buzurg & New Sakoti have been planned in place of Muzaffarnagar detour TSS. These new TSSs are planned to get connectivity with upcoming transmission line between Jagadhari-Khurja section.

It is therefore advised that TSS at New Sakoti & New Talheri Buzurg may be included in the scope of work in place of Muzaffarnagar detour TSS & transmission line alignment be planned accordingly. In case of any assistance Sh.Narender Dutt, Dy.CPM/EL/Meerut (Mob. 9997581301) may be contacted.

This is for your information please.
