Memo No. PSPD/Turga PSP/2F/1 157

To

The Divisional Forest Officer
Purulia Division,
Directorate of Forests,
Govt. of West Bengal,
Purulia

Sub: Replies to the queries against the proposal for diversion of 234 Ha of Forest Land to be diverted in respect of

- 1000MW Turga Pumped Storage Project construction

Ref: 1) MoEF&CC Proposal No.: FP/WB/HYD/8214/2014
2) Query sought on 21 April 2017 by DFO, Purulia in the website of MoEF&CC
3) MoM held on 23.05.2017 in the chamber of APCCF, CAMPA & Nodal Officer, FCA, Govt. of West Bengal communicated vide memo no.: 1697/CS/2M-1221/2016 dated 24.05.2017 of APCCF
4) Letter vide memo no.: PSPD/ Turga PSP/2F/122 dated 22.06.2017

Dear Sir,

With reference to your query dated 21 April 2017 and subsequent meeting held on 23.05.2017 in the chamber of APCCF, CAMPA & Nodal Officer, FCA, Govt. of West Bengal, please note the followings:

1. Land Schedule of the Forest land to be diverted

The land schedule of the forest land to be diverted had already been submitted by WBSEDCL to Forest Department, Govt. of WB.

2. Joint GPS Survey of the proposed Forest land to be diverted

A joint GPS re-survey was conducted by a team of Forest Officials of Baghmundi Range and WBSEDCL officials from 30.05.2017 to 08.06.2017 and it was established that the area of the proposed Forest land is 234 Ha (*copy attached*).

3. Requirement of Forest land for Road Construction

The project road alignment as planned along the boundary of the forest is parallel to Turga Nala, it will damage minimum forest area. The Project layout has already been approved by CEA and CWC, Govt. of India.

Website: www.wbsedcl.com

CIN:U40109WB2007SGC113473

4. Requirement of Forest land for use of multiple Rock Quarries

The rock quarries as mentioned in the Forest Proposal have been chosen based on the Technical Suitability / Standards as stipulated by CSMRS, Govt. of India and GSI, Govt. of India. Moreover, transportation cost of the quarried material to the different structures/ components of the Project is a critical point towards the viability of the Project. Accordingly, multiple quarry sites have been chosen based the layout of the different Project structures/ components and the same has been approved by CEA and CSMRS, Govt. of India.

In the MoM dated 23.05.2017, it was agreed that no changes are required in the proposal as submitted by WBSEDCL for points 3 & 4 above.

5. Preparation of marking list of trees falling on proposed Forest land

As desired, WBSEDCL has prepared the marking list of trees felling on the Forest land for proposed project, keeping it bare minimum quantity (*copy attached*).

Please note that, we have obtained necessary Forest Rights Act (FRA), 2006 document from the District Magistrate, Purulia, Govt. of West Bengal. The said FRA document is being uploaded in Section-K (Status of settlement of rights under the Forest Rights Act, 2006 on the forest land proposed to be diverted) of the Forest Land Proposal Form-A, Part-I.

We have also obtained the non-encumbrances certificate for the Compensatory Afforestation land from the DFO, Baikunthapur Forest Division (the copy of which already sent vide memo no. PSPD/Turga PSP/2F/92 dated 07.06.2017) and the same is being uploaded in the Additional Information Details of the Forest Land Proposal Form-A, Part-I.

Under the above circumstances, you are hereby requested to take needful kind action towards Stage-I Forest Clearance in respect of 1000 MW Turga Pumped Storage Project which is a priority project of Govt. of West Bengal.

Thanking you,

Enclo: As stated

Yours faithfully,

 07/07/2017
